#3108 THE LONE RANGER

Homesteader's Ruse. Starring Brace Beamer in his first appearance as The Lone Ranger. 4/9/41. One day before this broadcast Earle H. Graser, who played the part of The Lone Ranger was killed in an automobile accident. Beemer, who was the show's announcer, took over the vacant role. The producers wanted to hide the fact that a new actor was playing The Lone Ranger so Beemer portrayed him as wounded and barely able to speak.

BOSTON BLACKIE

Foreman Shot On The 20th Floor. Blackie has laryngitis and solves the case from a sick-bed! (In reality, Dick Kollmar who played Blackie was unable to perform on this show, so the producers had an unidentified actor whisper his lines!) 11/19/45
