

SPECIAL EDITION #2

April, 1979

It is COLLECTOR'S CORNER's unfortunate task to tell you that Allen Rockford passed away on March 29, 1979. As you know, he had been ill for the past few months, and his publication, Nostalgia Radio News had been suspended in February. Allen's partner, Don Richardson, called to tell us this news and asked that if anyone wanted to make a donation in memory of Allen that it be sent to WRVO-FM, Public Radio Center, Oswego, NY 13126. WRVO was the station that had been carrying Allen and Don's show, Sounds of Yesterday, for the past few years. It is a public non-profit station, and your donations will not only help to keep Sounds of Yesterday on the air, but other OTR broadcasting as well. If there was anything that Allen was sure of, it was that OTR should be heard and be available to all. This is one way of making sure that this will remain true. He will be surely missed. Our heartfelt sympathies to Allen's father, Max Rockford, and to Don.
