

SPECIAL EDITION #3---LAST ISSUE----see notice below!      MAY 1979

INTRODUCING: "Radio Currents"--the newsletter for fans of Mystery Theater and Sears Radio Playhouse and other current radio!

In March, COLLECTOR'S CORNER started publishing advance listings of CBS MYSTERY THEATER and SEARS RADIO PLAYHOUSE, all in an effort to fill the gap left by the suspension of NOSTALGIA RADIO NEWS. Due to the untimely death of Allen Rockford, co-publisher of NRN, that newsletter will no longer be published. It has been decided to continue the advance listings as a new newsletter, totally separate from the other Old Radio Warehouse publication, COLLECTOR'S CORNER. The new newsletter will be called "RADIO CURRENTS" and will be published monthly. Subscription rate will be \$5.00 per year---just enough to cover costs and within every CBS and Sears fan's means. Just fill out the subscription form on page three and the first issue---JUNE 1979---will be sent to you!

Now for some comments on the listings that follow. First, the bad news: Richard Widmark is back as full time host for Adventure night. We liked Howard Duff's narration a lot better. Now the good news: Henry Morgan is back again twice this month for comedy night. We do hope this continues, because comedy night needs all the help it can get. Harrisburg, PA is funnier. So this month it will be funny twice: May 8th and 22nd---when Morgan's Back Again!
