REMINISCING

Old-time radio buffs have been honoring the radio stars of yesteryear annually since 1971--the year of the first Old-Time Radio Convention. The popularity of the conventions has grown over the past ten years; the first convention hosted 4 guests growing to 34 guests this year. What better way to pay tribute to all the guests and show them how much we all enjoy their performances than to share in the listening of the programs and to meet them personally at this year's Friends of Old-Time Radio Convention.
