

A PERSONAL NOTE: Mail has been slow this past month. Some of you are still sending mail to my old address. Please note new address: Box 6, Orange, Ct 06477....Hope you all can relax a little this summer.

TITLES: MYSTERIOUS TRAVELER: Saved at Sea is really "Strange New World" and House Made for Murder is really "Change of Address."

IN MEMORIAM: It was with deep regret that I learned of the death of William Spier. He died May 30th at the age of 66. I had the privilege of talking with him on several occasions. He was a great help in compiling my Suspense log. His first major position was in 1929 with the Atwater-Kent radio hour which he produced and directed. In 1936 he directed the MARCH OF TIME. Mr. Spier was chief of the writer department and director of script for the Columbia Broadcasting System in 1940 when he was co-producer of SUSPENSE and DUFFY'S TAVERN. In 1947 he won a Mystery Writers of America award for THE ADVENTURES OF SAM SPADE. In 1952 Mr. Spier introduced the first 90-minute TV OMNIBUS show for CBS.

Athena Lorde, May 23, 57. Miss Lorde appeared regularly on such programs as FRONT PAGE FARRELL, LAND OF THE LOST, TWO ON A CLUE, YOUNG WIDDER BROWN, GANGBUSTERS....Vaughn Monroe, May 21, 61....Walter Greaza, 76. Mr. Greaza starred in CRIME DOCTOR and BIG TOWN. He was also on KATE SMITH.

PUBLICATIONS: Just received 5th issue of Radio Nostalgia featuring the Green Hornet. There are many articles about radio personalities of the past, many of them reprints for magazines of the 30's and 40's. It is very well put together and well worth the dollar. Write Virgil James, Box 8007, Union City, NJ 07087...Chuck Schaden was featured in a lengthy article in the Chicago Tribune on April 29, 1973. Chuck devotes his time to preparing 20 hours of time over WLTD, Evanston, Ill from his own collection of about 12,000. I know of no one else who devotes more time of this nature. Chuck and I started in this fascinating hobby together around the beginning of 1970. According to Chuck he has enough programs to broadcast until 1977 without duplication.
