FLYERS: Fred Harris (AUTHOR SERVICES) sent me the flyer about Battlefield Earth: "First Soundtrack to a science fiction novel. In 1982 L. Ron Hubbard published the major SF best-selling epic adventure BATTLEFIELD EARTH. This was followed a few months later by the release of the record SPACE JAZZ which is the soundtrack music for the novel adventure. Both the book and record are available in most book and record stores. The record stars such greats as Stanley Clarke, Chick Corea, Nikki Hopkins and others, who assisted Mr. Hubbard in making this unique new style of music that is created on some of the latest computer and woven into the music to create a new experience in listening pleasure."

Other flyers this issue are from Tom Barnet, Bob Burnham, Ron Downey, Radio Historical Assoc. of Colorado, Andy Blatt...One of my readers wants to know the address of Lloyd Nesbitt. If anyone knows, please let me know.

Write if you get work and hang by your thumbs
