

SOME PERSONAL NOTES: As many of you know, Allen Rockford has been in the hospital for a while. Nostalgia Radio News will be delayed for a few months. If Allen recuperates quickly, as we hope he does, the next issue may be June. Those wanting to send cards to Allen, please send them in care of Don Richardson, Box 2214, Syracuse, NY 13220. If any of you wish current listings of Mystery Theater and Sears Radio Theater that usually appear in NRN, send a SASE to Joe Webb, 5 Valley View Dr, Yonkers, NY 10710. Joe will be sending them to subscribers of Collectors Corner anyway so they don't have to send a SASE....Received a letter from Jan Minor asking for help my readers can give to Art Hanna. Art, director of many radio shows from the '40's to 1960 lost his tax papers which shows he worked at NBC, ABC, and CBS. In order to get his director's pension, he needs proof he worked there, If any of you worked with Art Hanna, will you send what details you have to Art at Box 39, Paoli, Pa 19301 or let Ernie Ricca know at the Directors Guild, 162 W 65th St, New York, NY/...The flyers are coming in very fast again. Please check with me first if you want a flyer included. If many come in, it may take 2 or 3 months for yours to be included since I keep HA under one ounce. While I normally don't charge for them if you are a subscriber, a sample of what you are selling would be appreciated. Some people send money anyway and this is also very much appreciated...A full page of News of the Past, typed and sent in by Ed Carr, is included this month as well as flyers from Gary Dudash, Ron Barnett and Adam Richter. More about Gary and Ron later.

CONVENTION 1979: On April 8th we will have our first committee meeting at my apartment. If anyone wishes to actively help on the committee please let me know. Also please send in suggestions for program, workshops, procedure, etc. All suggestions will be considered. Many have been sent in already. For those of you staying Friday night before the convention, there will be a meeting room reserved for us with a cash bar and a buffet supper. For those staying Saturday night, the bar will remain open after the evening festivities. If you know of radio performers, etc who haven't come before, please let me know their addresses. The convention is October 20th at the Holiday Inn in Bridgeport, Ct. Joe Webb tells me that some people from the radio-TV dept. at the Elizabeth Seton College in Yonkers are writing radio and TV dramas and will conduct a writing workshop...The cost of the convention will be \$16. It starts in the morning and will include a buffet dinner. If you wish to send in the money now, you can. Also if you want a dealer or display table (no extra charge) let me know as soon as possible and the number of tables you need. If we have more than last year (25) we may have to set up differently.

LOGS: John Wesche, 432 Douglas St, Syracuse, NY 13203 has just completed a SHADOW log. Cost is \$3.00. Cost is \$4.00 for a similar one done alphabetically. John is a graduate student in history at Syracuse University. He is specializing in WWII and its effects on America. John would like any radio programs which deal with the war effort, especially examples of war related civilian program (shows with war themes or war jokes). John would also like to get in touch with people in the industry in the 1940's who could tell him something about how these programs came to express the peculiar brand of fervent World War II patriotism.

THE TAPE DECK: Ken Neal read in a recent CONSUMERS REPORT about ratings of reel to reel tape decks. It said that most decks work better at  $7\frac{1}{2}$  rather than at  $3\frac{3}{4}$ . Does this mean that doublespeeding a product is better?

NEWS OF THE PAST \*1947 TOMMY COOK who plays a juvenile lead on THE LIFE OF RILEY was making a bid for the U.S. Olympic Team. He had won several west coast Junior Division Championships. \*HILDEGARDE drinks a glass of carrot juice before each broadcast, as it helps to ease her throat. \*JOCK MAC GREGOR, a stickler for authenticity, found while doing research for Nick Carter, master detective, that criminals are using war time research developments and scientific equipment such as: the snooper scope - a gadget for sighting night time targets without lights AND the electronic stethoscope to use in the tumbler action on huge safes, that other wise would be burglar proof. \*More news about THE STATE VS MAY GRANT. When I put out the few episodes I had about 2 yrs. ago, I used my own title. I since found out the story is called THE CASE OF THE MARTYRED MOTHER with the following as cast: HELEN SHIELDS as May Grant, then for awhile it was INGA ADAMS, then ANNE BURR and once again HELEN SHIELDS. IAN MARTIN as Bill Grant, ANNE BURR doing minor roles, JOHN LARKIN as Perry Mason and JOAN ALEXANDER as Della Street. Your director was Carl Eastman. They all played in this one story. It ran from at least May 1951 to June 1952. \*LORETTA YOUNG was presented a Steuben glass bowl from producer Wm Keighly on her 25th appearance on LUX RADIO THEATER which was LOVE LETTERS. \*As of May 1952, CITIES SERVICE BAND RADIO PROGRAM holds the unbeatable record of being the oldest continuously sponsored show in radio history. It has been on the air uninterrupted since 1927. \*1952 the radio show, MEET CORLESS ARCHER has moved to ABC and for a few weeks, LUGENE SANDERS will be playing Corless, she is pinch hitting for JANET WALDO. Eugene, who is also the TV Corless on CBS is only 17 yrs. old. \*KAY KYSER and GLEN MILLER led all bands in 1941, earning power, each band grossed about one million dollars. Glen Miller's top recorded was CHATANOOGA CHOO CHOO and sold over one million copies and the millionth disk was auctioned off at the Presidents' Birthday Ball. \*JUDY GARLAND was a authoress and in collaboration with professional radiewriter TRUE BOARDMAN, they wrote the dialogue of "LOVES NEW SWEET SONG" in which Judy had the leading role on the Silver Theater Radio Program; and RADIO MIRROR published in story form \*1942 KAY JORDAN, pretty 22 yr. old daughter of FIBBER MC GEE AND MOLLY, quietly went out and successfully auditioned for two NBC programs, I LOVE A MYSTERY AND VANCE AND LILA. They didn't even know Kay was thinking about a radio career, until after she'd been accepted to appear on the shows. \*The location of the MOCK COURT MARTIAL broadcast was a military secret. All Charlie MC Carthy fans were amazed to find out, it all came about because Army command didn't want to advertise the spot, where at a specific time several hundred American fliers would be gathered together under a single roof. Nothing was said till the Broadcast was long over. \*1943 GALE GORDAN checked out of his part as Mayor La Trivia on the FIBBER MCGEE AND MOLLY SHOW. He join the coast guard. So Fibber hired his wife for a part on the show. \*When FULTON LEWIS JR. asked his radio audience to send in old keys for the salvage drive, he got 50,000 in one week. \*TED WEEMS and his entire 14 pieces joined the Merchant Marines. \*NBC's BOB HOPE has a statue to immortalize him as the only entertainer, among 50 modern notables in Living Hall of Washington. \*1945 because of war time difficulties, out of 60,000,000 home radiosets approximately one quarter or 15,000,000 are out of commission. \*As of 1950 over the years AMOS N ANDY have created some 190 different characters. \*Did you know that GROUCHO MARX got his first theatrical break when he was 11 yrs. old? He was cast as a boy soprano in a musical vaudeville act, following that he toured the country impersonating girl singers. \*There is a bronze plaque in the hospital of the University of Pa. in Philadelphia, to commemorate the first surgical operation May 11, 1949 on color television. \*1925 First fair practice code was drawn up by the National Association of Broadcasters.
