NEWSLETTER #5
OCTOBER 1976

Editor = Chuck Seeley

Welcome to the fifteen new members (Since August) of the OTRCOB. The club has a membership of 55 as of October 1st. The new members' names and addresses can be found on the next page.

MINUTES: At the September meeting, Chuck Seeley stepped down from his post as OTRCOB secretary in order to devote his time to editing MEMORIES and the new monthly newsletter (details elsewhere in this issue). Sharon Andrews will perform the secretary's duties for the rest of the year, and Stuart Mann was appointed to take over Sharon's spot on the executive board. All members are reminded that elections will be held at the December meeting, with the new officers taking over in January, 1977. Also, the membership voted to increase club dues to \$10.00 per year, effective in January, 1977. (see MEMBERS' FORUM) Because of the shuffling of the officers, members please take note of the following: Mail should be addressed to that officer or department of the club which the correspondence concerns itself. For example, mail concerning membership dues, information sheets, and other secretarial matters is to be addressed to the secretary. Mail concerning the magazine or newsletter should be addressed to the editor.

SNYDER DONATION: The OTRCOB owes appreciation to member James Snyder for his unsolicited donation of \$15.00. Jim is hereby initiated into the Grand Order of the Mahogany Dragon for actions beyond that normally expected from an OTRCOB member. Thanks again, Jim.

REFERENCE LIBRARY: Attached to this issue is a page of additions to the club's reference library. Members who have not received the first list should contact the secretary. Thanks are due this time to Stanley Steinberg for his contribution of an article, and to Frank Matesic for his contributions of two books, designated B-03 and B-04. Members are reminded to please return borrowed items within the specified time. By keeping items longer, other OTRCOB members are deprived of their privileges in using the reference library.

TRADING LIST: The publication of the trading list has been postponed because there are 35 OTRCOB members who have not sent in a trading form. If the box to the right is checked, please send in the enclosed trading form as soon as possible if you wish to be included in the list. The new deadline is November 30.

THE OHIO CONNECTION: Attached to this issue are several sheets sent in by member Hy Daley. About the list of transcriptions, Hy says: "I'd like to hear from the club on what particular programs they'd like on 1800' reels. I'm sending this list out to three or four traders so I'd like to hear soon so I can get started."

MONTHLY NEWSLETTER: Beginning in January, 1977, the club will put out a monthly newsletter. The "extras" will still continue every other month. Alternate months without "extras" will be sent out first class mail.

NOVEMBER SPECIAL: As a bonus, there will be a special newsletter next month. It will be a combination of our newsletter and that of the Radio Historical Association of Colorado. John Lloyd of the RHAC and myself will co-edit the combination.

NEW LOGO: The OTRCOB needs a new logo. The present logo is too large for use as stationary or as the first page of the newsletter. Any member with an idea for a new logo is invited to send it in. The new logo should, ideally, incorporate the club's address and a suggestion of the radio we use now. Also, how about a name for the newsletter? I get tired of referring to it as simply the newsletter. Ideas?

ADDRESS MACHINE: The club is in need of some sort of address machine. With 55 members (an average of 5 new members per month since January), it gets quite tiresome hand addressing the newsletters and magazines. Any member knowing of such a machine should contact Pete Bellanca. We can buy one or, of course, accept one as a donation.

DEADLINES: For MEMORIES Vol. 2, #1 (March 1977): December 15
For Newsletter #6 (December 1976): November 29
For Newsletter #7 (January 1977): December 15

MEMBER VISITS: Bob Angus, the club's first mail member, visited briefly in Buffalo on September 8 with fellow members Frank Matesic, Dom Parisi, Chuck Cammarata, and Chuck Seeley. Bob also let us borrow some material which will appear from time to time either here or in MEMORIES. It's indicative of OTR hobbyists that an almost complete stranger can visit and spend a pleasant evening just talking about OTR.

MEMBERSHIP RENEWALS: The first membership renewals come up in January. Members who are due that month will find renewal notices in the December newsletter. This practice will be followed from now on. Members will find renewal notices in the newsletter of the month preceding the month that their membership runs out.

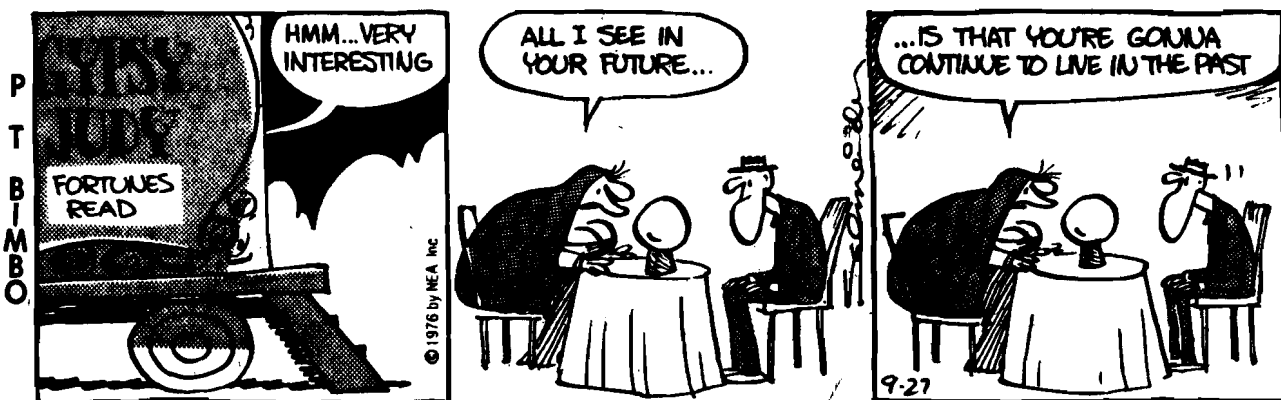

SPERDVAC: The Society to Preserve and Encourage Radio Drama, Variety, and Comedy gave us a nice write-up in their September, 1976, Bulletin. The SPERDVAC Bulletin, edited by Dan Haefele, is really a super newsletter, with much use of graphics and imaginative use of space. The group is also publishing a magazine this November, and will reprint OTRCOB member Bob Davis' Bogart article from MEMORIES #2. I am in contact with Joe Crawford of SPERDVAC and have asked him for information on the club so I can do a write-up on them for the special OTRCOB/RHAC newsletter next month. They have over 200 members and their address is P.O. Box 1587, Hollywood, California 90028. Dan Haefele has also recently joined the OTRCOB and no doubt information can be had from him.

MEMBERS' FORUM: From James Snyder: "...Regarding the dues increase, why not? If you need more, then raise the dues. Those of us who are contributing nothing to the organization can hardly question it. You people know the problems and I am certainly willing to accept your judgement... You are doing a fine job with the publications and I appreciate your efforts, as I am sure everyone else does."

From John Wells: "I got the August newsletter today and, to say the least, am very impressed...Regarding membership dues, I'd be willing to pay double the \$6.00 for all the fine things I have gotten so far."

From Randall Dunford: "By the way, I received the first newsletter from the club. It alone was worth the year's dues."

As noted on page one, dues have gone up to \$10.00 per year. This is necessary for several reasons, not the least of which is postage. We cannot use second class mailing unless we mail out at least 200 pieces per mailing. At present, the print run of the newsletter is about 75, which brings us to another point. Dom Parisi has been xeroxing these newsletters but asking him to provide 75 newsletters per month is too much. And with an average of 5 new members per month, the print run is sure to increase. Therefore, future issues of the newsletters will use

a mimeograph process (the next two pages are mimeographed to show you what it will look like). This process will cost us for paper and ink, costs we did not have when Dom was running things gratis. This is another step towards making the club self-sufficient and able to survive any changes in leadership. Those of us who put in time on the various departments of the club do not begrudge it; myself, I greatly enjoy editing both the newsletter and MEMORIES. Also, personally, I feel that the dues increase is justified if only in terms of the material received by the members. The scripts included with the newsletters and the logs that run in MEMORIES are often offered for sale, and OTRCOB members get them as well as the use of the libraries for their membership dues. I have seen magazines that are not nearly as good as MEMORIES selling for two and three dollars. Well, I didn't intend to get carried away here. In short, I think OTRCOB members are getting their money's worth and more.

The MEMBERS' FORUM is open. Write and let your fellow members know what you think. Question: Out of 55 members, only 3 are females. Why is it that OTR doesn't seem to appeal to women as much as it does to men?

RIP-OFF?: Does anyone trade with Thomas Salome, 190 Bonita Drive, Merritt Island, Florida 32952? Pete Bellanca would like to know if Salome is a collector or just a guy out to make a fast buck. Pete had a rather large trade set up with him, but Salome never followed through. Comments?

James Snyder sends this comment on last issue's RIP-OFF? section: "...This is of course a problem but I am not sure that it is always intentional...Postal problems seem to be increasing and I have been sending my catalogs by first class mail. I think they stand a better chance. Also, I always include my return address in with the reel of any tapes I send. Indeed, this summer I did get back such a box that I mailed out early last spring. The wrappings, etc. were gone and when the tape box reached the dead letter office it was opened and then returned to me. I am sure there was a very angry collector because I didn't send the tape I owed him, and I no longer know who it was."

TAPE LENDING LIBRARY: Tape librarian Frank Matesic reports that some members have complained about the sound on several of the library tapes. Please be sure that when you donate a tape to the library that it is in the best sound as possible. Frank is presently in the process of culling the poor sounding tapes from the list. The following members have donated tapes to the library: Pete Bellanca (1), Ray Olivieri (2), James Snyder (2), Chuck Seeley (2), Richard Simpson (1), Stuart Mann (1), George Klos (1), and Ed Frost (1).

HERMAN

NEWS: Al Rockford's SOUNDS OF YESTERDAY newsletter of October reports that the Ray Bradbury/Norman Corwin science fiction radio dramas for PBS are embroiled in copyright problems and funding difficulties that may kill the series. Starlog magazine (#2, Nov.) gives the titles of the two pilots as "Forever and the Earth" and "A Terrible Conflagration up at the Place." Starlog further reports that

"Why don't you buy a proper set of headphones?"

the pilots were to have been aired in September. Has anyone heard them? We'll try to keep up with the developments on this.... CHFI-FM (98.1) began airing its "Festival of Radio" on September 12. The series plays at 8:30 PM Sundays, and features OTR as well as contemporary dramas.... CBL-AM (740) ended its run of BIG SISTER on September 17 with a very funny seap opera parody. The station is still programming OTR on Fridays at 7:30 PM.... Watch the TV listings for Orson Welles next guest spot on THE TONIGHT SHOW. He guested on September 24, and he and Johnny Carson agreed to do a recreation of a SHADOW show (played straight) next time.... In an ad in the August 11 Variety, CBS described their RADIO MYSTERY THEATER as "innovative radio programming." And people believe that.... British writers Ray Galton and Alan Simpson have adapted five of their STEPTOE AND SON TV scripts for a five week run on BBC radio. STEPTOE was the basis for the American SANFORD AND SON. In fact, try taping a SANFORD or an ALL IN THE FAMILY sometime. On playback, they sound very like radio and could be adapted to radio with ease.

MORE NEWS: A hitherto unknown film company, Permut Presentations, is planning a movie called "Latitude Zero." It is as yet unknown if the film is to be based on the radio show of the same name.... A new musical called "Annie" is playing in the north-east. It is based on the Little Orphan Annie comic strip and the funniest spot in the show is supposed to be the recreation of a 1930's radio show called THE OXYDENT HOUR OF SMILES.... Goodman Ace (EASY ACES) is back comedy writing after an eye operation.... Rudy Vallee is trying to break into the dinner-theater circuit.... A Jimmy Durante tribute is set for November 19, with Bob Hope and Frank Sinatra, among others, performing.... Richard Lamparski is lining up the cast for his seventh Whatever Became Of book. So far, he'll be covering Marvin Miller and Curley Bradley.... The world's longest running radio serial ended on September 30, after 27 continuous years and 5,795 episodes. The serial, BLUE HILLS, was a story of Australian rural life and was broadcast throughout that continent. Gwen Meredith was the sole scripter from the show's beginning in February 1949. Film actor Rod Taylor had a role in the series for a time in 1952.... Terry and the Pirates is being developed by Paramount as an early evening action-adventure series for CBS-TV.... The Grand Ole Opry celebrates its 51st anniversary during a five day convention in Nashville October 13-17.... Jackson Beck's telephone number is (212) 752-7676.... Allan DuCovny, who began his career in broadcasting as the director of SUPERMAN, HIGHWAY PATROL, and HOP HARRIGAN on the radio, has joined ABC-TV as manager and executive producer of ABC SHORT STORY SPECIALS, an anthology of eight half-hour dramatizations set to begin in late fall. Prior to this, he was director of children's programming for CBS-TV and was the executive producer of the TV adaptations of Superman, Batman, and Aquaman. DuCovny's over 65, but still going strong.... Since the introduction of TV in South Africa on January 5, 1976, night-time radio audiences have dropped off 35 to 50%, but the youth oriented Radio 5 has increased its listenership 57% from 1975 by solid programming of current chart hits. South Africa is one of radio's last bastions and it looks as though it too will pass, thanks to TV and the Top Forty.... Bing Crosby received the Special Achievement Award of the FM Pioneers and the Armstrong Foundation on September 19, during the convention of the National Radio Broadcasters Association in Los Angeles. Also, WMFT (Chicago) and WBAI (NYC) were honored with the 12th annual Armstrong Awards for excellence and originality in FM broadcasting.

INSERTS: Included with this issue are flyers from OTRCOB member Phil Cole, advertising his new publication, National Radio Trader, and from Jay Hickerson, concerning the October 30 SAVE OTR convention. The "extra" this issue is somewhat different from our usual efforts. This time we have the stageplay version of "Sorry, Wrong Number." It is pretty close to the SUSPENSE version, and it's kind of interesting to study the adaptation from radio to the stage.

NBC: The National Broadcasting Company celebrates its 50th anniversary on November 15, 1976. Besides a special 4 hour program on NBC-TV on November 14, the network is running a five week series of specials on their radio stations. Schedule follows: Oct. 10--Part I, host Ben Grauer, with John Chancellor and David Brinkley, Opening Montage/Lindbergh Story/Entertainment 1926-1936/Sports 1929-1934/Human Interest Uses of Radio/Evolution of the Soap Opera/Depression Years/Discovery of Talent. Oct. 17--Part II, Host Bob Hope, Comedians/David Sarnoff/Sports 1938-1941/Show Excerpts from the 1930's and 1940's/News Bulletins/The War Years/Radio Programming in WWII/Misc. Oct. 24--Part III, Host to be announced, Show Excerpts from the 1940's and 1950's/Personalities/News Features/Blacklisting and Red Baiting/Music/Comedy Feuds/Misc. Oct. 31--Part IV, Hostess Arlene Francis, Monitor/Presidential Election Coverage 1928-1976/News: the 1960's and 1970's/Space 1957-1961/Misc. Nov. 7--Part V, Host to be announced, News: The 1960's and 1970's/Space 1969-1976/Comedy Highlights from the Past/Changing Tastes in Music over 50 Years. Unfortunately, there is no NBC radio affiliate in Buffalo. At any rate, each of these hour-long shows looks to be impressive--quite an act for CBS to follow next year when they celebrate their 50th year. (Thanks to Al Rockford and his SOUNDS OF YESTERDAY newsletter for this info. By the way, the SOY newsletter is carrying a by-date log of the CBS RADIO MYSTERY THEATER as well as details on upcoming shows, info hard to come by in your local newspaper. Subscriptions to the SOY newsletter are \$3.00, or more if you can spare it, and should be sent to: The Sounds of Yesterday, Box 24, Liverpool, New York 13088.)

THE OHIO CONNECTION II: Hy Daley's address, which I neglected to mention on page 2, is 437 South Center, Corry, Pa. 16407.

IDEA: WWSW-AM in Pittsburgh is running the CBS RADIO MYSTERY THEATER as a double feature on Friday nights from 10PM to Midnight. I think that's a good idea, but why don't stations program the show in the early evening? It strikes me that somewhere between 6PM and 7PM would be ideal, since there is little competition from TV at that time save for news and nature programs.

GBITUARIES: Gene (Cody) Eubanks--died July 10, 81 years old. After a successful career in Hollywood as an actor and stuntman in the Twenties, Eubanks became a producer-director for CBS and NBC, where he was in charge of such radio series as OUR GAL SUNDAY, BACKSTAGE WIFE, STELLA DALLAS, JUST PLAIN BILL, MA PERKINS, and THE VOICE OF FIRESTONE.

Harry Maynard--died July 23, 78 years old. During World War II, Maynard was recreation officer at San Diego Marine Base, where he launched the Marines Mutual network program, THE HALLS OF MONTEZUMA.

Lucien Schmit-- died July 20, 78 years old. Schmit was active in the musical programs of the Thirties. He was musical director of THE ROYAL TYPEWRITER FAMILY and was featured on THE TELEPHONE HOUR, THE FIRESTONE SHOW, THE LONGINES SYMPHONETTE, and THE PRUDENTIAL FAMILY HOUR.

Warren Parker-- died July 31. Parker appeared in numerous films and enacted the role of Jesus on the radio show, THE GREATEST STORY EVER TOLD for 10 years.

Jess Kirkpatrick-- died August 9, 78 years old. Besides appearing in over 50 Hollywood films, Kirkpatrick played roles on FIBBER MCGEE AND MOLLY and BEULAH, as well as announcing some of the top shows.

William Redfield-- died August 17, 49 years old. Redfield's career included over 2,000 performances on stage, radio, TV, and films. During the past three-and-a-half years he either starred in or was featured in 87 different CBS RADIO MYSTERY THEATER shows.

William Geer, Sr.--died August 20, 70 years old. While working for Time Inc., Geer was instrumental in starting the MARCH OF TIME radio programs.

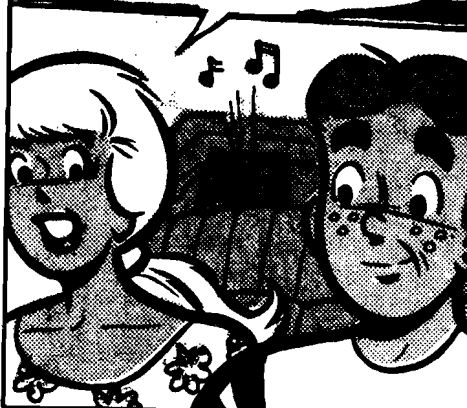

SIGN OFF: So there you have it. Send comments, complaints, corrections, brick-bats, and money to Editor, OTRCOB, P.O.Box 119, Kenmore, New York 14217. Your regularly scheduled newsletter will resume in December, while we pause next month to bring the special RHAC/OTRCOB combined special.
