REMINISCING

*Old-Time Radio buffs have been honoring the radio stars of yesteryear annually since 1971--our first Old-Time Radio Convention. The popularity of the conventions has grown steadily over the past 14 years. The first convention hosted 4 guests--this year we are honoring 41 actors, actresses, writers, producers directors and technicians who made the age of radio a truly golden era. What better way to pay tribute to all our guests than to meet them in person at this, our 9th Annual Convention of the Friends of Old-Time Radio, and express the enjoyment their performances brought and still bring to us. Our lives have been greatly enriched by the talents of those we honor today.*
