Tape Supplement No. 25

Hello Again!

Supplement 25 and with more of the great sounds from the past. In this supplement MOST OF THE MASTERS ARE FIRST GENERATION DIRECT FROM ORIGINAL TRANSCRIPTION DISCS such as UTS and CAPITOL and THE SAURUS and CARDINAL, et al. Some of the labels are displayed. There are some fine old radio shows, collections, chronologies, big band remotes, etc. Something for everybody.

Please consult page 25-31 for ordering information and prices. If any questions write, however, be sure to include all the details and a self-addressed-stamped-envelope.

Below is a selected INDEX. It is not complete and only offered as a guide ... check the pages carefully for your wants. Coming next time will be more of the FIRST GENERATION masters from the old UTS and THE SAURUS transcription discs. Your comments and suggestions are welcomed.

We seem to have had some problem with Supplement 24 not being delivered. Be sure to advise whether you receive Supplement 25 and if you want to continue receiving the mailings you must either place an order or send \$5 to be assured of receiving the next supplement.

PRICES

and materials availability remain subject to change without notice and beyond our control. Some items indeed are in limited production and availability. Whenever possible please list alternate choices. Some of our earlier offerings have been withdrawn. Cartridges (8-tracks) are not available.

CATALOGS

Printing is expensive and our catalog is large! Now exceeding 700 pages, we can no longer afford to give away the catalog nor offer credit of catalog purchase towards orders. Most of the 24 supplements are still in print and those in print constitute the "complete catalog." As time and funds permit, missing pages will be reprinted.

QTM OPEN REEL TAPES

QTM = Quarter-Track-Mono; 1/4-track-mono. That is all four tracks recorded with separate programs on each. Prices are for complete masters in QTM mode. The most economical method to order.

1200' on Generic #031 Tape	\$12.00
1200' on Ampex #631 Tape	13.00
1200' on Maxell UD50-60 Tape	14.00
1800' on Generic #041 Tape	13.00
1800' on Ampex #641 Tape	15.00
1800' on Maxell UD35-90 Tape	16.00
2400' on Generic Tape	16.00

The catalog is \$8.00 via surface in the USA; \$11.00 elsewhere. Airmail in the USA is \$10. Customers will automatically be sent the next supplement when it is available IF a purchase is made from this mailing. If you do not make a purchase but wish to remain on the mailing list then you must remit \$5.00, otherwise your name will be removed from our list.

OVERSEAS CUSTOMERS

For a reply to an inquiry you must send two (2) INTERNATIONAL REPLY (IR) coupons. Also, add \$1.00 (or two IR coupons) to your order to have details (lists, notification, order forms, etc.) to be sent under separate cover from the actual order. Your order will have no paperwork, catalogs, order forms or any written material in the parcel with your order. This will hopefully assist you in getting the merchandise through customs. And, it will let you know the merchandise is on the way. Non-insured merchandise is shipped at the sole responsibility of the customer. Payment may be made by money order in USA funds. Cash will be accepted (from most countries) and will be credited at the current rate of exchange. However, we assume no responsibility for cash mailed so take the necessary precautions. Shipping rates vary widely from country to country; if in doubt we recommend that you add 10% of your order total for the shipping charges (via surface) and we will then debit/credit as appropriate.

HTM or QTS OPEN REEL TAPES

HTM = Half-Track-Mono (1/2-track-mono); QTS = Quarter-Track-Stereo (1/4-track-stereo) Open Reel Tapes. Stereo orders are "simulated" stereo unless specifically noted in catalog as being "bonafide" stereo recordings. Prices shown are for masters in HTM or QTS mode.

1200' on Generic #031 Tape	\$22.00
1200' on Ampex #631 Tape	24.00
1200' on Maxell UD50-60 Tape	26.00

BANK CARDS WELCOMED

VISA (BankAmericard) and MASTER CARD (Master Charge) are both welcomed. We do have a MINIMUM PURCHASE REQUIREMENT OF \$20 PER ORDER WHEN A BANK CARD IS USED. At the present time we do not add for the bank discount, this may change if the bank makes an increase to us.

CASSETTE TAPES

CASS = CASSETTE Tapes. We primarily use custom loaded BASF tape. C62, C95 and C122 are used for radio programs. C70 and C100 are used for chronologies and collections. Furnished in poly case with blank labels. Prices shown are for complete masters.

CUSTOM TAPES

Single, or individual, show selections are CUSTOM TAPES. We have a TWO-HOUR MINIMUM and all custom orders must be in one-hour multiples. Any tape format is available (i.e., open-reel at 3-3/4 ips or cassette). Be sure to state format, speed and mode as applicable or if in doubt, send the make and model number of your machine. The custom taping rate is \$12.00 per hour; open reel at 7-1/2 ips is \$15.00 per hour.

INQUIRIES

For reply to inquiry send a SELF-ADDRESSED-STAMPED-ENVELOPE with your request. A large #10 size is recommended. Overseas customers, in lieu of the stamped envelope, should send TWO (2) International Reply (IR) coupons with your inquiry request. Inquiries are handled on a first-come, first-served basis and we do our best to accommodate the requests promptly. Put your inquiries on a separate paper, do NOT use the order form for inquiries!

SHIPPING & INSURANCE

UPS shipment is preferred in the USA so please give street address whenever possible as UPS does not deliver to post office box numbers. Outside USA customers please add 10% to order total for approximate shipping charges. The difference will be credited/debited as appropriate.

Orders \$25.01 to \$49.99	4.00

USA AIRMAIL RATES

The rates DO change and it would be best to check the rates before ordering if in doubt. The post office can furnish the basic charge and to this we add for insurance and packaging. If you order via bank card we can add the appropriate amount if you will authorize when ordering.
