1200' reels \$7.00 ea. 5 for \$30.00

Welcome to old time radio! Collecting radio programs is a great hobby. The listing you have in your hand is the result of over eight years of collecting. You will find the sound quality to be quite good. Many programs are recorded directly from the original transcriptions or are very close to them. Some programs may require close listening, but we try not to list "bad sounding" programs unless they are not available in good sound.

Most OTR (old time radio) collections are stored on quarter-track reels. The abbreviations 1-L, 2-L, 1-R, 2-R are used to designate the tracks that the shows are recorded on. 1-L refers to side one, left track; in this case the show would be heard on your left speaker of your stereo. Most receivers and tape decks have some means of turning off the sound on the other speaker or track in order that you hear one program at a time.

Many other collectors prefer to collect on cassettes. This offers many conveniences, especially portability. However, for the long term, it is most economical to collect reels. As a general rule, shows listed are one-half hour each unless otherwise noted. Two shows will fit on one 60 minute cassette.

All reels unless otherwise noted are 1800'. This means that at 3-3/4ips you get 90 minutes per track, or 6 hours per reel. 1200' reels have 60 minutes per track, or 4 hours per reel.

Note: Radio programs listed here are not cleared for broadcast and no broadcast rights are stated or implied. These programs are intended for private home use and enjoyment. Charges are made only for tape, time, and equipment wear. Nostalgia Warehouse, Inc. assumes no responsibility for unauthorized use.

CASSETTES: Prerecorded selections are listed separately. These are available at discount prices.

Complete 1800' reel on four 90 minute cassettes (middle program of each tape will be interrupted cleanly to allow turnover of cassette): \$17.50

Complete 1200' reel on two 120 minute cassettes: \$11.00 (120 minute cassettes will only be guaranteed for six months due to the delicateness of their handling; we have had very good luck with these so long as the cassette played completely through one side without fast forwarding or rewinding. This length is very nice for long car trips)

Custom cassettes where you make all the selections are available. Be sure to list the reel number that you are making selections from:

One C-60: \$8.00
Two to Nine: \$5.00 ea.
Ten to Twenty-five: \$4.00 ea.
Twenty-five or more: \$3.50 ea.

Cassettes include soft poly box. Add 20¢ per cassette for hard Norelco box.

OVER

BONUS: Pick 3 free reels when you order ten.

Tape used is Used Ampex 641. We have had very good experiences with this tape. However, we do make new Scotch 177 available at an additional \$4.00 per reel (this must also be added to free reels)

1200' reels are spooled down from 641. This will not completely fill tape spool, but will not affect recordings. Scotch 176 is available for the same fee as 177.

Orders for mixed amounts of 1800' and 1200' will be accepted. Simply pro-rate the prices to take advantage of discounts.

ADDITIONAL DISCOUNTS: Orders over \$100 deduct 5%; orders over \$150 deduct 7.5%; orders over \$200 deduct 10%.

ORDERING INSTRUCTIONS: New York State residents must add sales tax and state county of residence.

ALL ORDERS MUST ADD \$1.50 to help cover shipping and handling costs.

We try to fill orders as quickly as possible. This is a part-time business and occasionally prone to delays. We will ship no later than 6 to 8 weeks from receipt of order.

LENDING LIBRARY: Tapes listed here are available on a rental basis. If you have time, two tape decks (reel-to-reel) and a supply of blank tape, you can join the NWI OTR Lending Library. For a \$25 deposit to cover "lost" or damaged reels (returned when you leave the library) and \$15 per rental of 6 reels you can save a lot of money and enjoy OTR. Reels must be returned in four weeks and be shipped 4TH CLASS SOUND RECORDINGS with SPECIAL HANDLING. Cost is \$2.30 per box for postage. The postage to you is included in the \$15.00 rental. New York State residents must add sales tax. 14 alternate reels must be listed.
