Catalog #1

Enjoy yourself as you never have before. Sit down with an entertainment medium rarely experienced today---that of fine radio drama.

And in this special catalog, OTR (old time radio) is available to collectors in one of the most convenient tape formats---cassettes. As you know, cassettes can be played on the most expensive stereo equipment or on the smallest portable tape players. Now you can take OTR wherever you go and listen whenever you want.

The programs listed herein are from a very large collection and represent only a small part of what is available to collectors today. We have tried to make this a "representative" listing of programs and also list most of the popular radio shows. If you do not see any of the programs you are particularly looking for here, you may find them in our reel-to-reel catalog, which is available for \$1.00. Custom taping from our master reels is available for a minor charge over the rates below.

PRE-RECORDED CASSETTES FROM THIS CATALOG:

(All cassettes are 60 minutes unless marked with an asterisk * ; those marked are 90 minutes)

Price for C-60 cassettes:

1 to 3 cassettes.....	\$ 4.00 each
4 to 9 cassettes.....	3.75 each
10 or more cassettes....	3.50 each

For 90 minute cassettes, add \$1.00 each, regardless of quantity ordered.

For orders of 50 or more cassettes, inquire about additional discounts.

SHIPPING:

Orders shipped via UPS or Post Office. If you prefer either of these, let us know on your order. We prefer UPS for speed and safety.

ALL ORDERS SHIPPED FREE OF CHARGE.

NOTE: These programs are not cleared for broadcast, and no broadcast rights are stated or implied. Programs are intended for personal use and enjoyment only. Old Radio Warehouse assumes no responsibility for unauthorized use.
