NOSTALGIA WAREHOUSE, INC. Catalog #2 First Printing 1/80

Finally! Catalog #2 is here! There have been revisions made in pricing. For more reels, please see Catalog #1. For prerecorded cassettes, please see Cassette Catalog #1. Cassette Catalog #2 will be ready in early 1981.

ALL PRICES LISTED BELOW ARE PRICES FOR CATALOGS #1 AND #2. PRICES LISTED IN CATALOG #1, SECOND PRINTING, ARE NO LONGER IN EFFECT.

Welcome to the outstanding world of old time radio! This catalog is only a partial listing of a very large collection which took many years of hard work and great personal expense to gather. You will find the sound quality of the programs listed here to be quite good. Many of the programs are from the transcriptions or copies very close to them. Some programs may require close listening, but we have tried not to list "bad sounding" programs.

Collecting radio programs is a great hobby. The foundation of the hobby is the trading of programs between collectors. One of the ways collectors get in touch with each other is by newsletters. Since 1970, one newsletter has been in the forefront. That is HELLO AGAIN published by Jay Hickerson. For a sample copy, send a self-addressed stamped envelope to Jay Hickerson, Box C, Orange, CT 06477. We at NOSTALGIA WAREHOUSE, INC. are particularly proud of our own publication, COLLECTOR'S CORNER. For our most recent issue, send \$1.00 to our address.
