And now... these messages

MINI-CON: THIS IS THE MONTH! And the date is Saturday June 26th! Join us in person between 10 am and 10 pm at the WCNY-FM Studios at 506 Old Liverpool Road, Liverpool (at the corner of Kellar's Lane, next to Poor House North), or tune in the special day of nostalgia programming on WCNY-FM 91.3 Syracuse, from 7 am to 8 pm. For full details of live events and special broadcasts, plus a map to help you find WCNY-FM's Studios, please see pages 8 & 9 of this issue of the NEWSLETTER.

ANNIVERSARY: On Sat. June 26, THE SOUNDS OF YESTERDAY will be celebrating its third anniversary on WCNY-FM (thus the Nostalgia Mini-Con we're all so excited about). The program began June 30, 1973 (after a sneak preview on June 10, 1973) as a weekly hour-long program. It expanded to become a weekly two-hour-long program on July 5, 1975. Including special editions, but not counting repeats, the anniversary edition to be aired on June 26 will be the 158th broadcast in the series which started out as a "summer replacement" for the old "All Our Yesterdays" (on which Allen Rockford & Don Richardson provided an old-time radio segment called "Yesterday's Radio Memories"). Later this summer (August 19th, to be exact) will mark the 5th anniversary of the return of old-time radio to Central New York airwaves. It all began with a series Allen hosted on WSEN-FM from Aug. 19, 1971 through Nov. 3, 1972, which led to the segment on "All Our Yesterdays" (broadcast from Sept. 9, 1972 through June 23, 1973). Carl Pultz (host of "The Big Band Spotlight" portion of THE SOUNDS OF YESTERDAY) was first introduced to listeners on Feb. 16, 1974 (when he was 16). Bill Knowlton (host of "The Dusty Record Shelf" portion) made his first appearance on the series on Aug. 11, 1973. Tune in June 26, or see the July NEWSLETTER, for an important announcement concerning the future of THE SOUNDS OF YESTERDAY.

TIME CHANGES: WAER-FM's old-time radio and nostalgia series move to new times this month - see pages 2 & 5 for details.

FEATURES: A special one-hour edition of THE BIG BAND SPOTLIGHT on June 26 on WCNY-FM (details on page 9) hosted by Carl Pultz & Allen Rockford will pay tribute to Louis Armstrong, who would have been 76 on July 4, had he lived. Judy Garland is the subject of a memorial tribute on THE SOUNDS OF YESTERDAY (for details, see page 11).

IF THIS BOX IS MARKED, YOU MUST RENEW NOW OR NO MORE ISSUES WILL BE SENT! SEND \$1.25, \$2.50 OR MORE TO: THE SOUNDS OF YESTERDAY, THE NOSTALGIA RADIO NETWORK, BOX 24, LIVERPOOL, NEW YORK 13088. Make remittance payable to - THE SOUNDS OF YESTERDAY. Please mention if you hear the program on WCNY-FM or WRVO-FM.

HIGHLIGHTS OF COMEDY'S GOLDEN MOMENTS FOR JUNE, 1976:

WCNY-FM: SUNDAY FROM 6 TO 8 PM

GERRY ORLANDO, HOST

JUNE 6: A broadcast of THE AMOS & ANDY SHOW from CBS/AFRS in the early 1950's will be heard. The story concerns Andy and Kingfish's new job: moving and delivering television sets. Our heroes get into plenty of trouble in the process. Freeman Gosden and Charles Correll star. ** The zany gang from the original IT PAYS TO BE IGNORANT radio program are on hand in a CBS/AFRS broadcast of 10/5/45. Listen as moderator Tom Howard "burns" as he delivers questions to (and receives wild answers from) the "distinguished panel": George Shelton, Lulu McConnell, and Harry McNaughton. ** A great cast is featured in a COMMAND PERFORMANCE broadcast from AFRS in 1945. The theme: Jimmy Durante's "crush" on Lauren Bacall. Then Jimmy gets to meet Lauren, and proves he's a regular Cazenova.... until hubby Humphrey Bogart shows up! Herbert Marshall, Janet Blair, Edward Arnold, and The Sons of the Pioneers are also heard. ** We'll also listen to a Bob Newhart comedy routine from the 1960's. **

JUNE 13: An episode of THE FRED ALLEN SHOW from NBC on 10/21/45 finds Fred and guest Frank Sinatra talking about their radio careers, and looking into the future. Wait until you hear the kind of radio program Fred predicts he and Frank will be on as their careers "ripen"! Fred also visits "Allen's Alley". ** Al Jolson hosts THE KRAFT MUSIC HALL from NBC/AFRS on 11/4/48. Guests George Burns and Gracie Allen drop in and it's every man for himself as Gracie "persuades" George to give Jolie a sample of some "real singing"! In addition, there's plenty of (real) music supplied by Al, plus music and comedy from sidekick/foil Oscar Levant. ** The comedy of Stan Laurel and Oliver Hardy will be heard in a soundtrack recording of their 1937 film classic WAY OUT WEST. The story has Stan & Ollie as two desert prospectors who must deliver a land deed to the daughter of a deceased co-worker. Of course, some very shady characters are intent on getting it away from them. The comedy comes off well on radio, and an added treat is the musical numbers, including Stan & Ollie (in their own voices) singing "On The Trail of the Lonesome Pine". ** Lily Tomlin will also be heard, enacting the role of "Ernestine, the Telephone Operator". **

JUNE 20: Marie Wilson and Cathy Lewis are featured in an episode of MY FRIEND IRMA from CBS in 1947. Irma has been fired, so her boyfriend Al (played by John Brown) comes up with some "really big" financial investments in order to multiply Irma's steadily dwindling cash supply. ** Jack Benny and his gang are heard in a broadcast of THE JELLO PROGRAM from NBC in June 1939. Jack and his cast are leaving for Waukegan, Illinois (Jack's home town) for the premiere of Jack's new film, and the confusion reigns in one of Jack's earliest visits to the railroad station. ** The team of Bud Abbott and Lou Costello star in a radio episode of THE ABBOTT AND COSTELLO SHOW from NBC/AFRS on 6/14/46. Lou goes to a department store to buy a Father's Day gift, and Bud goes along to "slap" some advice into him. ** Also, a comedy monologue by George Carlin from the 1960's. **

IMPORTANT NOTE: HEAR TWO SPECIAL ONE-MOMENTS ON SATURDAY JUNE 26 AT 1:00 PM PAGE 9.

hour editions of COMEDY'S GOLDEN AND 4:00 PM. FOR FULL DETAILS, SEE

JUNE 27: The very first broadcast of THE DANNY KAYE SHOW will be heard tonight. In addition to Danny, the show features a great cast: Eve Arden, Lionel Stander, Frank Nelson, Harry James & His Orchestra, and guest Eddie Cantor. The program is from CBS on 1/6/45. ** We'll also listen to an episode of THE JOHNSON'S WAX PROGRAM WITH FIBBER MCGEE AND MOLLY from NBC on 1/30/40. Fibber discovers that it isn't easy to dispose of an old suit, but he keeps trying. The Great Gildersleeve (Hal Peary) makes one of his early appearances as the McGees' next-door neighbor. ** This evening "Mr. Television" becomes "Mr. Radio" as we hear THE MILTON BERLE SHOW from NBC radio in 1948. Featured is a sketch in which Milton dreams that he is President of the United States. Washington will never be the same! ** Jonathan Winters does one of his zany comedy routines. **

REQUESTS, COMMENTS, SUGGESTIONS? Write Gerry Orlando, COMEDY'S GOLDEN MOMENTS, WCNY-FM, Liverpool, New York 13088. Cards and letters demonstrate support and interest, and comments and suggestions are helpful and most appreciated. On weeks when the show is broadcast live, Gerry will tell you on the air about how to speak with him (at 457-2550) during the old-time radio segments, and right after the program ends for the evening.
