VOLUME 10, NUMBER 7

JANUARY, 1985

Although he played many roles in radio, Kenny Delmar will forever be associated with the blustering Senator Beauregard Claghorn, the South's greatest champion—and burden, who brightened *The Fred Allen Show* every week. ("That's a joke, son.")

HI & LOIS

CHRISTMAS PARTY IS BIG SUCCESS

This year the RHAC Christmas party was held at the Brandy Chase Condominiums Clubhouse. It was an overwhelming success. It was estimated that about 35-40 people were able to attend. There was plenty of food and drink, good conversation, Christmas music, and a beautifully decorated clubhouse. Most people said it was the best social get-together we have ever had.

There are plenty of people to thank for the success of the evening. John Licht, Elmer Westbrook, John Adams and Chuck Barton did a fine job in organizing things. A very special big THANK YOU goes to all the wives for preparing food for the pot luck dinner.

PARTY ORGANIZER WANTED

There was a great deal of work involved in making sure that everything ran smoothly at the Christmas pot luck dinner. While it may sound a little premature to plan next year's party so soon, it was such a success that we probably should get an organizer started to do some planning. It would be a great help for one of our members to step forward and head up this project. Thank you.

WOMAN'S CLUB SPEAKER

On December 18th, I had the privilege to be the guest speaker at the North Denver Chapter of the American Business Woman's Association (ABWA). In keeping with the spirit of the season, my talk was on the Christmas shows on old time radio. I played some excerpts from Christmas shows in my collection and used Reid Hensen's excellent article on Christmas shows from a previous issue of Return With Us Now. It was a fun evening despite the competition from the Riverside Baptist Church's Christmas party in the next meeting room.

SAD NEWS FOR COLLECTORS

Collectors always hear horror stories about recordings destroyed or lost over the years or of recordings in the hands of those who will not share them. Well, I had a call from RKO General in New York a few weeks ago and they were donating a large amount of recordings to the Library of Congress. I tried desperately to talk them into allowing us to have access to them before they were donated but legal problems shut us out. They told us that they were assured by the LOC that we would have access to them from the LOC. If any of you have tried to deal with the LOC, you know this is not true. The RHAC will continue to be on the lookout for new material and we hope that you all make every attempt to uncover new material for all collectors.

MEMBERSHIP LIST

An updated membership list appears in this issue of Return With Us Now. We have listed phone numbers of local Denver members. The reason for this is to inform you of last minute meeting changes due to weather, etc. If your phone number does not appear on the membership list and you would like to be contacted for meeting changes, please let us know. If there are any errors in your mailing addresses please drop us a card with any corrections.

BITS AND PIECES

Wasn't John Dunning's 24 hours of Old Time Radio great on Christmas Eve and Christmas Day? What great listening but you sure needed quick hands to get reels changed between shows.....Does anyone have any Lum 'n' Abner in full runs and great sound for the RHAC tape library. We've had a lot of requests.....In order to determine future additions to the tape library, we will be going over the amount of sign-ups for each reel in the near future. Your input is most welcome.....Pick up some postcards from the PO for easy correspondence and keep in touch with what you like and dislike in the newsletter and tape library.....

CLARIFICATION

In last months newsletter we announced the price increase of Ampex tape. The new price was \$70 per case of 40 reels and \$80 for out-of-town members. I should have explained that the higher price for out-of-town members is for cost of postage from Denver.

NEWSLETTER COVERS

Anyone having any OTR material suitable for newsletter covers is encouraged to send them to me to be used for future editions of Return With Us Now.

NEWSLETTER CONTEST WINNERS

John Adams and Chuck Barton were the winners in the fall newsletter contest. Suitable prizes will be awarded at a future meeting of the RHAC.
