An NBC Package

1. WILCOX: THE FRY MILK PROGRAM -- WITH FISHER MOORE AND MOLLY!
2. CHUCK: TUNE UP AND PAKE FOR!
3. WILCOX: The First Evaporated Milk - Fat Milk - presents Fisher Moore and Molly transcribed - with Bill Thompson, Arthur Q. Bryan, Dick Le Grand, Cliff Arquette, and me, Marlow Wilson. The show is written by Don Quinn and Phil Leslie, and directed by Max Hutto, with music by the King's Men and Billy Mills' Orchestra!
4. CHUCK: TUNE UP AND PAKE FOR!

SPRING COMMERCIAL - 12/26/50

1. WILCOX: Do you like cream in your coffee? Then try your next cup with Fat Milk in place of cream. Not ordinary milk, mind you, but Fat Separated milk. Good, sweet country milk that's been concentrated to double-richness. When you see what a wonderful creamy color Fat Milk gives to coffee...when you taste that smooth, satisfying flavor... you'll agree that Fat Milk makes good coffee better -- that Fat Milk really belongs in your cream pitcher. And with Fat Milk costing less than half as much as cream it's easy to understand why coffee lovers, the country over, use Fat Milk for a better cup of coffee at lower cost. Your grocer has Fat Milk. Put Fat on your shopping list now....get several cans tomorrow.

2. ORCH. INSIDE

1 WILSON: IT SNOWED LAST NIGHT IN WESTFUL VISTA -- A BEAUTIFUL THICK
CARPET OF WHITE - AND THE TOWN LOOKS LIKE A CHRISTMAS CARD!
STANDING ON THE FRONT WALK AT NUMBER 79, MR. MOORE THINKS
HE HAS NEVER SEEN SUCH A LOVELY SIGHT! AND NO, MOORE--
JUST LISTEN TO WHAT HE THINKS OF THE BEAUTIFUL SNOW!

2 (PAUSE)

3 ANNCH: Mr. Moore's remarks have been colated in the public
interest! THIS is U.S.C.!

4 WILSON: WHERE WE GOES --

FERRIS MOORE AND MOLLY

5 (APPLAUSE)

6 SOUND: SNOW SHOVELING...SNOW

7 FIB: Dad rot this stuff...SNOW!! All it causes is trouble. Wet
feet...traffic jams...hard work...SNOW! Why do we have to
have it? WHAT'S IT GOOD FOR?

8 MOL: How much did you pay for that snow-shovel?

9 FIB: Three bucks.

10 MOL: If we never had any snow, it would be stupid to buy a
snow-shovel, wouldn't it?

11 FIB: Wel-l-l yes, but -

12 MOL: SO - that's what snow is good for. It proves you're not
so stupid.

1 FIB: KKK! ...it does at that, don't it? Yeah...Ain't that a wonderful thought? Thousands of tons of snow, all over the country, just to prove that I ain't stupid. Kids makes you stop and think, don't it? I sometimes - (LAUGH)

2 MCL: What's the matter?

3 FIB: Just listening. For the phone. That guy ever call again?

4 MCL: Who?

5 FIB: I dunno.

6 MCL: Then what...er guy are you talking about?

7 FIB: The guy that stood this morning while you were takin' out the ashes and I was in the shower, and by the time I got up from slippin' on the soap and got downstairs it stopped ringin'. You know, the guy that the next time he called I was in the basement gettin' the snow shovel out from under three tons of coal that they dumped it down the chute while I was playin' in the Sixx Pool Tournament last week and they didn't know the snow shovel was there. That guy.

8 MCL: Ohh, him! No, I haven't gotten a call all morning. Who was it?

9 FIB: That's what bothers me, kiddo! I didn't expect nobody to call, but somebody did call, and anybody that calls somebody, it must be important or they wouldn't of went to the trouble to of rang me up in the first place - much less the second place - would they of?

- 1 NOL: How do you know they were both the same call?
- 2 FIB: They weren't - they were two different calls. And when
the same guy calls us two different times about the same
thing, it must be urgent. Hey, you think it was the Hot
O'Gal??
- 3 NOL: I doubt it - they've been off the air for several years.
- 4 FIB: Well, our phone's been busy a lot. HEY, THAT'S IT! I HIT
IT'S ONE OF THEM QUIZ SHOWS!
- 5 NOL: Oh, McGee, I don't think -
- 6 FIB: LOOK - let's be logical - are you expecting a call from a
Quiz Show?
- 7 NOL: No, I'm not. That's what I say -
- 8 FIB: Neither an If And When do them guys always call? When you
least expect it, that's when! Boyboy - keep listening,
Holly!
- 9 NOL: All right. You shovel while I listen.
- 10 SOUND: SHOVELLING...SQUEE
- 11 FIB: Show!!! This is hard work. How can anything that looks
so light weigh so much?
- 12 NOL: The paper commented on that this morning.
- 13 FIB: It did?
- 14 NOL: Yes...it said this was the heaviest snow we'd had for a
long time.
- 15 FIB: I believe it, Tootsie, because...Hi, Ole.
- 16 NOL: Well, that isn't a very good reason, but...OH...IT IS
OLE. Hello,Ole.

- 1 OLE: (FADE IN) Hello, Missus. Hello McGee. Taking a little exercise?
- 2 FIB: Yeah, cleanin' off the sidewalk, Ole. You got the sidewalks clean in front of your house.
- 3 OLE: It don't snow on the sidewalks at my house, McGee - I got influence. I got a cousin with the Weather Bureau.
- 4 MCL: Heavenly Says - everything is political! How can a cousin with the weather bureau fix it so it doesn't snow on your sidewalk?
- 5 OLE: Very simple, Missus - when the weather says snow, he comes over and helps me cover the sidewalk with a tarpaulin. When it snows, it snows on the tarp.
- 6 FIB: (ADMIRINGLY) Nigwah, that's a pretty un-genius idea, Ole! Cover the pavement with a tarp, eh?
- 7 OLE: Sure. All the neighbors got a big laugh yesterday when they watch us cover the walks - (CHUCKLES) but guess who laughs today when we pick up the tarp and dump all the snow in the street - with a clean sidewalk.
- 8 MCL: You had the last laugh, did you?
- 9 OLE: No, the street department did. They make me shovel it off their street and down a sewer.
- 10 FIB: That tarpaulin idea is pretty good. I'll have to try it.

- 1 OLE: It's no good when it's windy, though. Spread it down
and think you got it all fixed, then big wind comes up
and you know what happens?
- 2 MOLA: What?
- 3 OLE: You blow your tarp. It was like I told my missus when we
got Danish postcard from my Uncle in Copenhagen.
- 4 FIB: A Danish postcard? Could you read it?
- 5 OLE: No, but I recognize the nationality of the handwriting.
"look," I say to my missus..."something is written in
Danmark!" She don't think it very funny but she laff
like everything.
- 6 MOLA: Why did she laugh, if she didn't think it was funny?
- 7 OLE: All the kids was there. If papa say something funny,
and mam don't laff, it makes disrespect.
- 8 FIB: Family all well and happy, Ole? Have a nice Christmas?
- 9 OLE: Oh sure, McDoc. Everybody gets exactly what he wants.
Except me. I always get something useful. I got
electric razor.
- 10 MOLA: Well, say now that IS a useful gift, isn't it?
- 11 OLE: Sure is, Missus. All Christmas day, I crawl around on
hands and knees, looking for ragged places in electric
wires, then I trim them off with razor. I shave all the
electric in the house.
- 12 FIB: But an electric razor is to shave your FACE with, Ole.
- 13 OLE: What? It is? Well, why don't somebody told me these
things?
- 14 MOLA: Well, anyway, your wife won't be trying to sharpen
pencils with it!

1 GLE: (LAUGHS) No, I guess she (PAUSE) Wait a minute..knowing
my niece like I do, niece....I won't be too sure....I
go home and took a look! (PAUSE) So long both you fellas.

2 AD LIB SOUNDS

3 FIB: Well, back to work, kiddo!

4 MOL: By the way - why the extra shovel on the porch?

5 FIB: I charge off, when this one gets too hot, I use that one.

6 SOUND: SHVELLING. CONTINUE TILL PHONE RINGS (OFF)

7 MOL: MOORE..THE PHONE....THE TELEPHONE!!

8 FIB: THE PHONE! THAT'S IT - THAT'S THE GUY THAT- I'LL GET IT!

9 SOUND: RUNNING FEET..STUMBLE..FIB YELPS..BOY FALL..CLATSE
OF SHOVEL

10 FIB: (MOANS) Oh, that dadratted snow shovel.

11 SOUND: PHONE RINGS OVER IT

12 MOL: (PAUSE IN) Heavenly days, let me help you up. Are you
hurt?

13 FIB: I dunno yet.. Answer the phone, willya? I'll get up
later. Quick, the phone.

14 SOUND: PHONE RINGS .. MOANS:

15 MOL: I can't get in the house..you're lying across the door.

16 FIB: Well, kick me outta the way quick, before the phone stops!

17 SOUND: PHONE..HALF A RING AND STOPS

18 MOL: It's stopped.

19 FIB: (GROANS INTO:)

20 ORCH: "MUSICALS'N' WORLD"

(APPLAUSE)

1 SOUND: SHOVELLING SNOW...WILD AND TIGER OUT

2 FIB: Well This is hard work. Hey, you know something?

3 MOL: Yes. The population of Hindustan, as of the 1910 census --

4 FIB: No, no, no...I mean about snow shovelling.

5 MOL: Oh.

6 FIB: I think medical students oughtta spend several hours a year shovelling snow. It oughtta be part of the regular curriculum.

7 MOL: Part of the what?

8 FIB: Crenium. The school crenium. You know...the course of study.

9 MOL: You mean "curriculum", lover.

10 FIB: I do? I thought curriculum was balance. Like a tight-rope walker uses a catralla to maintain his curriculum.

11 MOL: That's equilibrium.

12 FIB: Yeah? (LAUGHS) Don't kid me, kiddo! Equilibrium is a guy that rides a horse. Everybody knows that. There's an equilibrium statue of General Sherman in the --

13 MOL: Oh no, no, no...that's EQUILIBRIUM. It's from "vestrian" which means a cow pony, and "EQU", from vooen riders pretending to be scared for the benefit of a good-looking cowboy. "EQU-VESTRIAN".

14 FIB: Oh. Well, then what did I say wrong in the first place?

- 1 MOL: You said crenius instead of curriculum. Crenius is your head.
- 2 FIB: Certainly!! As I was sayin', if medical students used their heads, they'd spend a lotta time shovel-ling snow. Because when you shovel snow, you discover muscles you never knew you had and - (FADE) Was that the phone?
- 3 MOL: No. I don't think so. I didn't hear anything.
- 4 FIB: Thought I heard the phone. I sure wish I knew who was calling me. May be a lotta dough at stake. Big job in Washington...Who knows?
- 5 SOUND: SNOW SHOVELLING...SUSTAIN
- 6 FIB: Boy, this is fun! Wanna try it a while, tootsie?
- 7 MOL: No.
- 8 FIB: Very smart! Tough job!
- 9 SOUND: SNOW SHOVELLING
- 10 MOL: Hold it dearie....here comes a man...
- 11 SOUND: SHOVELLING OUT
- 12 FIB: Who's that?
- 13 MOL: Search me...I don't think I--
- 14 CLIFF: (FADE IN) I beg your pardon...sir...and waden, sorry to interrupt your work.
- 15 FIB: That's okay, buster, glad to have you.
- 16 CLIFF: Glad to have me what?
- 17 MOL: Interrupt his work.
- 18 CLIFF: Be happy to! You start shovel-ling again, sir, and I'll walk up and interrupt you. We'll just pretend that we ---

- 1 FIB: AW OUT IT OUT! You know what I mean, I'm jus' kidding.
- 2 CLIFF: Joss kidding? Well, glad to know you, Joss. I'm
Orville Pagaley. And this, I presume, is Mrs. Joss
kidding?
- 3 MUI: No, Mr. Pagaley...I'm Mrs. McGee. My husband is --
- 4 CLIFF: Look, baby...what you tell your husband is your own
business. If you want to stand and bat the fat with
Joss here, I'm not one to run and gab to your old man.
Eh, Joss?
- 5 FIB: STOP POKING ME IN THE RIBS AND STOP CALLING ME JOSS!
I'm--
- 6 CLIFF: Oh, I'M sorry, it WAS a bit familiar of me, wasn't it?
Believe me, Mr. Kidding, I'm not one to take advantage
of a --- By the way, baby, what's YOUR first name?
- 7 MUI: None of your business!
- 8 CLIFF: It is? Well, it's certainly strange what parents will do
to children in the way of names, isn't it? Mrs. None-of-
Your-Business McGee! I had a cousin named Dog of Biscuit
Anderson and an Uncle named Bird Lay Square Egg. He was
a full blooded Navajo Indian -- that is he WAS full
blooded, until one day he cut himself while knifing a
friend and ---
- 9 MUI: Excuse me, Mr. Pagaley. Orville.
- 10 CLIFF: Yes, None-of-your-Business? Oh, I think that's a
delightful name. I never would have ---

- 1 FIB: DAD HAD IT, FORGOT.... IF YOU DON'T WANT THIS SNOW
SHOVEL WRAPPED AROUND YOUR CURTAIN ---
- 2 MCL: Cream.
- 3 FIB: WRAPPED AROUND YOUR CURTAIN ---
- 4 CLIFF: Now now now...no reason for tempers to flare up, Mr.
Kidding. I merely stopped by to inquire some directions.
- 5 MCL: Very well....where do you want to get
- 6 CLIFF: I want to go home and finish making my angel food cake.
I didn't understand the directions so I thought I'd ask
the first intelligent people I saw, but unfortunately, I
met you two first. Tell me, how does one fold an egg?
- 7 FIB: That's quite simple, Grville. Beat the egg in a cup, fry
it in a small pan, then let it cool and you'll find that
it folds quite easily.
- 8 CLIFF: Well, THANK you, neighbor! (FADE) If these cook books
were a little more specific....
- 9 SOUND: SNOW SKYLLING...FADE (1)
- 10 FIB: Well anyway, that lesson had given a little breather so -
- 11 SOUND: OFF...TELEPHONE
- 12 MCL: Oh, oh! There's the telephone again, McGee! I'll get it
this time and -
- 13 FIB: NO...I'LL GET IT....MUST BE FOR ME!....
- 14 SOUND: MUFFLED VOICES...ONE RING (MUSIC)
- 15 FIB: (MUSIC) Oh, that DELICIOUS snow shovel.
- 16 MCL: (FADE IN) Sweetheart....darling....are you hurt?

- 1 FIB: No ...I .. don't think so.. Quiet! Help me up so I
can answer the - (FADE)
- 2 SANE: PHONE RING RING
- 3 FIB: Ain't that the doggiest... WHO DO YOU SUPPOSE IT IS?
- 4 MOL: I haven't the faintest idea.. .
- 5 FIB: Me either. That's what's got me worried. If it
wasn't important he wouldn't keep calling me, would
they? Hey, DO YOU SUPPOSE ANYTHING WONDERFUL HAS
HAPPENED TO YOUR RICH AUNT SARAH? LIKE SHE FELL OFF THE
DOOP?
- 6 MOL: No, and get that happy look off your face.
- 7 FIB: Just a thought.
- 8 SANE: SHUVELLING SOUNDS(2)
- 9 WIL: (FADE IN OVER:) Well, hello there, Pal...Hello, Moll, ..
- 10 MOL: Hello, Mr. Wilson.
- 11 FIB: Hiyah, Junior. Hey...you been trying to get me on the
telephone today? Somebody's been tryin' to get me on
the telephone and I thought if it was you tryin' to get
me on the telephone, I -- (FADE) Was that the
telephone?
- 12 WIL: (FADE'S) Don't hear anything, Pal. BUT SAY...IT MIGHT
HAVE BEEN FOR ME!
- 13 MOL: It might of?
- 14 FIB: Why might it of?

- 1 WIL: Well, simply because I -- Hey, let me take that soon
shovel a minute, Pal... you look tired.
- 2 ED: LOOK tired... I AM tired! Sure, Junior... (GLARE)
Dont of you to help.
- 3 WIL: Forget it.
- 4 ED: But why were you expecting a call here, Mr. Wilcox?
- 5 WIL: Eh? Oh. Well, I told my secretary I might drop by
and to call me here if there was anything urgent,
because I was expecting a call from the sponsor.

- 1 FIB: About what? Pet Milk Business?
- 2 WIL: Pet, I'm glad you asked me that...because --
- 3 WIL: Oh, McGee! You KNOW better than that!! After all these months you should --
- 4 FIB: That's okay, kiddo. He took the shovel outa my hands...I take the words out of his mouth. Even-steven. Go on, Juney.
- 5 WIL: Well, The Pet Milk people wanted to be sure I was stressing infant feeding in our advertising this week, because that's one of Pet Milk's greatest selling points. The fact that Pet Milk is sterilized in ^{its} own sealed can and all illness-causing germs have been removed....The fact that Pet Milk is always uniformly rich and nourishing and so easy for a tiny tummy to take -
- 6 WIL: OHHH THAT'S CUTE!!!...."easy for a tiny tummy to take"! I LIKE that.
- 7 WIL: So do babies. That's why so many infant formulas are based on Pet Milk. Double rich, protected until used by its own sealed can, and economical to buy, Pet Milk has been a favorite ingredient in infant formulas for years and years ... because it supplies the proper minerals for healthy growth, good bones and sound teeth. As we always say: "WASH YOUR BABY IN A PET....GET A LITTLE PET IN YOUR BABY".
- Yes, Pet Milk is.....HEY....was that the telephone?
(PAUSE)

- 1 FIB: Nope. I don't hear anything.
- 2 WIL: Oh. Thought I heard it. WIL, saying, let MILK stress
the.
- 3 FIB: HOLD IT, KIDLY...HOLD IT....!!
- 4 WIL: What's the matter.....telephone?
- 5 MIL: No. But you took the snow shovel from McGee.....and
you've just been standing there holding it. I thought
you were going to help shovel.
- 6 FIB: Yeah.....no too.
- 7 WIL: Oh no. I just took the shovel, so you wouldn't interrupt
me while I was talking Pat. Had to keep you quiet. Here...
take it. (PAUSE OUT) See you at the bowling alley tonight
.....and boy! - come to think of it that call couldn't
have been for me - I got that yesterday. So long now!
- 8 MIL: Well, of all the dirty tricks! Oh well.. let's get thru
here McGee and get in the house...then if the phone
rings again, we'll be there.
- 9 FIB: RIGHT!!
- 10 ~~WIL:~~ WIL: SHYLY SUSTAIN:
- 11 MIL: (OVER SHOVELING) I will say for you dearie, that you're
doing a fine job!!
- 12 ~~WIL:~~ WIL: OUT
- 13 FIB: What's say, kiddo?

- 1 FIB: Now then... whaddya say, Tootsie?
- 2 MOL: I said here come... Doctor Gumble... Hello, Doctor!
- 3 FIB: OH, HI DOC!
- 4 DOC: (PAUSE IN) Hello, Molly. And good day to you, Maclebound.
- 5 FIB: Whaddya mean, "Maclebound"?.. At least I can lean over and see where I been shovelling without stepping back three paces, and that's more than you could do. With that steak-and-potatoes veranda of yours, it's a wonder you ever know if your socks match!
- 6 DOC: I'll give you a couple sometime - on the ship, and we'll see. And another thing, Athlete. Take it easy with snow shovels. You're no high school boy you know, if you ever were, and if you were I'll bet it wasn't for very long. Anyway, at your age, I'd suggest you leave the hard physical work to -
- 7 SOUND: TELEPHONE OFF:
- 8 FIB: HAY....TELEPHONE!!! IT'S RINGING!!
- 9 MOL: I'll answer it, McGee, you stay here and talk to Doct-
- 10 FIB: NO, NO, NO....IT'S FOR ME....I'M SURE....I'LL GET IT....
(PAUSE) BACK IN A MINUTE DOC AS SOON AS I SEE WHO --
- 11 SOUND: TELEPHONE (OFF)
- 12 MOL: BE CAREFUL THIS TIME DWARF....REMEMBER HOW YOU----

1 SOUND: RAIN EFFECT

2 FIB: (MOANS) Forget about that dandruffed snow shovel.

3 NOL: (FAIR IN) Heavenly days...the poor lad...come on
Doctor....I think we need you.

4 DOC: (FAIR IN) He doesn't need me after a fall like that. He
needs six muscular friends and a brief eulogy by somebody
who doesn't know him too well.....

5 FIB: (GROANS) Help me up...somebody....I gotta answer the
phone....

6 NOL: Too late, dearie...it stopped ringing...are you hurt
badly? Look him over will you, Doctor?

7 DOC: I've been looking him over for a month / of years and he
gets no prettier. Think you've busted anything,
Strawfoot?

8 FIB: I think I busted everything...looks that bone sticking
out! What's that...my clavicle?

9 NOL: No, that's the handle of your snow shovel. Is he all
right, Doctor?

10 DOC: Sit up graceful. That's it...(FIB GROANS) Take a deep
breath. (FIB GASPS)

Is that your idea of a deep breath? I hope you never
have to swim across a fingertowel, under water. TAKE A
DEEP BUL....

(FIB: GASPS)

- 1 DOC: Feel any pain?
- 2 FIB: Yeah.
- 3 MEL: Where, sweetheart?
- 4 FIB: In my knee.
- 5 DOC: I apologize...you DID take a deep breath. You're all right, Chowderbrain. Just skinned and bruised.
- 6 FIB: I better quit shoveling snow for today, eh?
- 7 DOC: Who said that?
- 8 MEL: McGee did.
- 9 FIB: Better take it easy, eh? Relax!
- 10 DOC: Certainly not...get back and shovel...loosen up those stiff muscles...NOT TOO HARD, MIND YOU!! just shovel easy...Then take a hot bath, and lie down a couple of hours. And now, if you'll excuse me, I've got to get back to the hospital. Accident case.
- 11 FIB: What kind, Lardot?
- 12 DOC: Man slipped and fell down with his neck across his snow-shovel and broke it in two places. (PAUSE) Well, so long.
- 13 SAUND: FOOTSTEPS DOWN OFF PORCH...PAUSE OUT:
- 14 MEL: Did he mean his -?
- 15 FIB: Gee! I didn't have the nerve to ask!
- 16 OPEN A KING MEN... "WILLABALOO"
- 17 (APPLAUSE)

THIRD SPOT

- 1 SOUND: SLAW SCRAPE OF SKIS
- 2 MIL: How does your back feel now, dearie? Better?
- 3 FIB: (SLIGHT GRAN) No - but my leg hurts so bad I don't notice my back any more. You oughta see my knees! They look like I been shootin' craps on a pile of broken glass!
- 4 MIL: Look, sweetheart, why don't you go in and lie down? Then if the phone rings -
- 5 FIB: NO SIR! (GRAN) I started this job and by George I'm gonna finish it! (SCRAPE) At this point I don't care if that dafforded phone NEVER rings again! I wouldn't answer the thing now if it was - (PAUSE)
- 6 MIL: (PAUSE) No, sweetheart. No. It didn't ring.
- 7 FIB: Thought I heard it. Anyhow, like I say - Oh hey, take that extra shovel off the steps and get it outta the way, willya?
- 8 MIL: With pleasure! I'll drop it here in the snow. (SOFT THUD) There! At least that's one hazard you don't have to worry about and - (OH LOOK, NOISE! THE LAD ON THE SLID,
- 9 FIB: Huh?
- 10 MIL: COMING DOWN THE HILL!! WATCH IT! LOOK OUT, DONNY!
- 11 SOUND: SLAD BUNNIES ON PACKED SNOW PAIR IN OVER ADOVE...SCRAPE AND CLATTER....OUT
- 12 FIB: (CHUCKLES) Migosh, look at him! Rolled right into a snowbank!

- 1 MCL: Hand over shoulders!
- 2 FIB: Help him up, kiddo. (SLIGHT GROAN) It hurts me just to look at a fall like that when -
- 3 MCL: (SLIGHT PAUSE) Here sorry, give me your hand and I'll -
- 4 OLD M: Thanks, daughter - WELL, HELLOO THESE KIDS!! HI, DAUGHTER! HI, JOHNNY!
- 5 FIB: Well for the...
- 6 MCL: Heavenly day's it's the Old Timer!
- 7 FIB: Hi, Old Timer!
- 8 OLD M: HEY, YOU WANTA GO BELLYBUSTIN', JOHNNY??
- 9 MCL: You know, that might be a nice switch, at that, McGee.
- 10 FIB: You said it! I've busted everything else so far. No thanks, Old Timer - I gotta clean off this sidewalk, in case it freezes tonight. Liable to get slick.
- 11 OLD M: It can be dangerous, Johnny. I spread ashes around our front porch this mornin', myself. Some folks use gravel. What do you spread on your front steps, kids?
- 12 MCL: McGee.
- 13 FIB: Huh?
- 14 MCL: I was just answering his question dearie. He said what do we spread on the steps, and -
- 15 FIB: Oh.

- 1 MOL: The phone keeps ringing, Mr. Old Timer - and every
time McGee hits that porch, he spreads out like a pat
of butter on a hot waffle.
- 2 OLD M: Well, the boy's kinda fumble-footed, daughter. He don't
keep in condition! You oughta do like me, Johnny. First
thing I do every mornin' is hop into a cold shower for
ten minutes. Tones me up.
- 3 FIB: No kidding? You stand under a cold shower in this weather?
- 4 OLD M: Yop...one of these days I'm gonna git up the nerve to
turn it on, too!...I always claim that -----HEE!
- 5 MOL: What is it?
- 6 OLD M: (SLEAZE FACE) There's a snow shovel layin' out here in
the yard, kids. Liable to lose it that way.
- 7 FIB: Yeah, we know - we put it there, so just -
- 8 OLD M: I better put it here on the porch -
- 9 MOL: Don't bother. We want it left out here -
- 10 SOUND: PHONE RINGS OFF
- 11 FIB: THAT'S IT! THAT'S THE PHONE! (SCUFFLE OF FEET)
- 12 OLD M: I'll lay the shovel on the steps here - (CLATTER)
where you kids can find it when -
- 13 SOUND: STUMBLING FEET...FIB YELLS...PHONE RINGS...DOOR FALL...
CLATTER OF SHOVEL
- 14 FIB: (GIGGERS) Who put that do-dorritted snow shovel there?

- 1 MOL: (SLIGHTLY OFF) Ohh dear!
- 2 OLD M: (SLIGHTLY OFF) J-boooy?
- 3 FIB: (PEEPLY) Yeah?
- 4 OLD M: (ON) The phone's ringin'!
- 5 SOUND: PHONE -- HALF RING.....RINGS
- 6 OLD M: Never mind - they hung up.
- 7 SOUND: BRIDGE
- 8 FIB: (GROANS) Ooohh, my achin' everything!
- 9 MOL: Now, now, you just stay there on the divanport, sweetheart.
You'll be all right. Can I get you anything? More
liniment? Aspirin? Another rootbeer?
- 10 FIB: No, I'll just lay here and listen for the phone.
Whoever that is, is gonna get a hunk of my mind that -
- 11 SOUND: DOOR CHIME
- 12 FIB: THERE IT IS! THAT'S IT! I'LL G / IT! (PAST SCUFFLE OF
FEET) (RECEIVER OFF HOOK) HELLO! THIS IS MOORE! HELLO -
- 13 MOL: No, dearie, that's the door bell. (PHONE UP) Let mother
help you back on the divan. You mustn't exert yourself
like that and -
- 14 SOUND: DOOR CHIME
- 15 MOL: OOOORRUSH, COME ON IN!
- 16 SOUND: DOOR CLOSURE
- 17 MAN: Ahh, good afternoon to you both! You're Mr. and Mrs.
McGeoff?

- 1 FIB: You've said, bud - but whatever you want, I'm pretty busy right now. I'm waiting for a phone call and --

WIL: The First Evaporated Milk in the mountain west -- Segs Milk -- presents Fibber McGee and Molly transcribed with Bill Thompson, Gale Gordon, Arthur Q. Bryan, Dick LaSorda, Danny Richards, Jr., Peter Votrian, and us, Marlow Wilcox. The show is written by Don Quinn and Phil Leslie and directed by Max Ratto, with music by the King's Men and Billy Mills' orchestra!

WIL: Well, cawwaw, speaking of gaw, Pal, you ought to go downtown and GATE yourself some Segs Evaporated Milk for health and --

FIB: If you wants sell Segs Milk, sell it!

FIB: Well -- like suppose you're telling housewives how they can save dough on their food budget by using Segs Milk for all their cooking, and cawwaw, and all stuff like that there, aw?

FIB: Then you carry on -- "If you had of gone down to your grocery store, housewife and lugged yourself home -- some Segs Milk -- which Segs milk is the type milk that any other type milk costs you more dough than it -- naturally Segs Milk is less expensive -- and besides, it don't cost as much.

FIL: Therefore, Sogo Milk is just good whole milk --
concentrated to double richness -- which, being that
Sogo Milk is the type milk that any other type milk
costs more than, consequently, any other type milk is the
type milk your husband would naturally want you to buy
Sogo milk instead, and besides it's good!

WIL: I think you're trying to say that Sogo Milk is not only
good, and good for you, but it's easy on the budget.

WIL: In other words -- "Use Sogo Milk for your milk and
cream needs -- and make the year '51 a thrifty one".

SCENE: WASHINGTON AND TINKLEBERRY:

FIL: (SINGS) Ooh, I had a little Marnoot and raised her as
a pet,

I built a little chair for her -- that's where
Marnoot!

WIL: The First Evaporated Milk in the mountain west -- Sogo
Milk -- brings you Fitter McGee and Molly each week at
this time. Be with us again next Tuesday night, won't
you?
