PRINCE ALBERT

No. 1

FOLEY: (SINGING) Happy birthday to you...happy birthday to you...

TURNER: Birthday! Whose? Not mine!

FOLEY: No? Well...it's lots of people's, Grant. Bound to be!  
Only wish I could send 'em all -- the men, at least -- a  
present of some Prince Albert Smoking Tobacco!

TURNER: That would be nice, Red! Prince Albert's so rich...  
full-flavored -- and so easy on the tongue!

FOLEY: That's not half of it, Grant! Prince Albert's choice  
tobacco is specially treated to insure against tongue bite  
-- and crimp cut to burn slow and even...and smoke cool.

TURNER: Add it all together...and what do you get? A tobacco  
specially made for smoking pleasure! No wonder Prince Albert  
is the largest-selling smoking tobacco in America!

FOLEY: So, fellas, for extra smoking pleasure, get yourselves some  
Prince Albert! For convenience, buy Prince Albert in the  
handy pocket tin with the humidor top. For economy, ask  
for the big pound-size of Prince Albert -- the National Joy  
Smoke!

JINGLE: Just fill your pipe up with P.A.  
And take a puff or two.  
You'll get that extra smoking joy  
Prince Albert offers you!

FOLEY: (INTERRUPTING HIMSELF)...but...what in the world? Rod  
Brasfield, are you trying to dance?

ROD B: (SHEEPISHLY) Well, yes, sort of.

FOLEY: Whatever gave you that idea?

ROD B: I thought maybe dancing was like rolling "makin's" cigarettes  
with Prince Albert. You know, something anyone can do well,  
first try?

FOLEY: Well, I'll tell you, boy. Almost nothing is as easy to do  
as roll a "makin's" cigarette with Prince Albert! Because  
Prince Albert's choice tobacco is crimp cut. So it clings  
to the paper. Doesn't blow around. Doesn't dribble out the  
ends. Without practice...without fuss...you're ready in no  
time with a firm, smooth "makin's" cigarette when you roll  
it with Prince Albert!

JINGLE: So roll your own with good P.A.  
And take a puff or two.  
You'll get that extra smoking joy  
Prince Albert offers you!

maybe? You're always saying how rich and full-flavored  
a "makin's" cigarette tastes when it's made with Prince  
Albert!
