8:35.58

GRANT: Ever notice how certain folks in our audience have their own favorites among the performers?

8:36.02

GEORGE: Well, that's a natural thing in show business.

8:36.05

GRANT: Just like it's only natural that so many pipe smokers have a favorite smoking tobacco... PRINCE ALBERT! In fact, every minute of every smoking day, Prince Albert is taste-tested and approved by MORE smokers than ANY OTHER smoking tobacco. They know P.A. is tobacco as Nature MEANT tobacco to be. And they like the way the rich flavor of this fine tobacco is HELD and HEIGHTENED by P.A.'s own special process. So it's easy to see why Prince Albert is America's favorite for COOL, COMFORTABLE pipe-smoking enjoyment.

8:36.40

GEORGE: Grant's right, folks! And don't forget P.A. is crimp cut, too, to pack neat and firm... smoke SMOOTH and LONG-BURNING.

8:36.50

GRANT: So all you pipe and makin's men, enjoy America's largest-selling smoking tobacco... Prince Albert! See why P.A. is called the National Joy Smoke!

MORGAN: I'd say it was EXPERIENCE, Grant!

8:46.22
GRANT: Well, experience has certainly taught a lot of makin's men how easy Prince Albert ROLLS and how mild and tasty it SMOKES! Y'see, Prince Albert is tobacco as Nature MEANT tobacco to be. And P.A.'s own special process HOLDS and HEIGHTENS the rich, NATURAL flavor of mellow-ripe tobacco.

8:46.39
MORGAN: Besides... P.A. is crimp cut to roll neat and easy. It won't blow around or dribble out the ends.

8:46.48
GRANT: So, friends, enjoy a wonderful smoking experience. ROLL your NEXT makin's cigarette with P.A. In an O.C.B. paper. See why Prince Albert is taste-tested and approved by more smokers than any other smoking tobacco!
