You said it, Grant ! Always makes the audience as happy as a group of Prince Albert pipe smokers...Look at 'em all smiling !

8:35:50

TURNER:

Uh-huh ! Y'know, Hank, It's easy to see why P. A. puts a smile on the face of a pipe smoker. It's got that natural tobacco taste smokers enjoy so much. That's because Nature, herself, put the flavor in P. A. And P. A. sure knows how to bring out all the rich, natural flavor which Nature puts in the tobacco. Once a fella taste-tests Prince Albert, he sure enough approves it !

8:36:20

SNOW:

And he sure enough likes the way P. A. is crimp cut to pack neat and firm. It makes for mighty cool and comfortable pipe smoking, I'll tell you !

8:36:27

What say, Fellas ? Enjoy Prince Albert's natural tobacco taste in your next pipe or makin cigarette ! P. A. is mild, tasty and always fresh ! Ask for Prince Albert and see why it's called the National Joy Smoke !
