FARON: ^{8:39.59} Enjoy it that much, huh ?

ROD: ^{8:40.01} Yea...but by ned, it's a hard song to write. You'd have to put in it that Prince Albert is always fresh, always cool-smokin'...

FARON: ^{8:40.08} ...Yea...and that P.A. gives a pipe smokin' fella all the comfort he could want....

ROD: ^{8:40.12} ... Plus that special P.A. flavor...rich, natural, tasty...

FARON: ^{8:40.17} ... Plus a line or two about P.A. being crimp cut to pack firm and smoke long and even.

FARON: 8:40.32 smooth-makin', smooth - smokin' cigarette every time.
Know what I think, Rod ?

ROD: What ?

FARON: 8:40.35 Let's not try to get it all in a song. Let's just tell pipe smokers and makin' men that Prince Albert gives 'em all the rich, natural flavor of fine tobacco, all the smokin' comfort they could want. Try it...enjoy it.... Prince Albert!

MINNIE: ^{8:49.28} Never do. I always keep my eyes on Hezzy 'cause he sits up there in the stadium, puffin' on his pipe, and ~~he looks so pleased and so comfortable~~, he reminds you of a coach who's already won the game.

FARON: ^{8:49.39} Then that pipe of his is packed with Prince Albert Smoking Tobacco !

MINNIE: Why, sure.....

FARON: ^{8:49.42} And Hezzy is comfortable, Minnie... P.A. and his pipe made him that way.... He's comfortable, and he's enjoying Prince Albert's natural tobacco taste. He knows P.A. is always fresh, always cool smokin', always crimp cut to burn slow and even.

MINNIE: ^{8:49.53} And Hezzy says makin' men can enjoy all the same things, thanks to Prince Albert.

Say, ever think of what makes for popularity ? Just think of the most popular person you know. I don't mean a screen star or celebrity... just a friend who's good to have around. Bet you agree with me that a person like that's popular because he adds to the fun and enjoyment of living. Y'know, it's the same way with Camels. They add to the fun of whatever you're doin'. No other cigarette brings you the full, rich flavor and smooth mildness of Camel's exclusive blend of costly tobaccos. No other cigarette gives you the same smoking comfort you get out of Camels. That's why more people today select Camels than any other brand. Discover for yourself the difference between "just smoking"...and Camels. Have a real cigarette... have a Camel ! So good and mild...the finest taste in smoking !
