REEVES: Sure is, Grant.

GRANT: And do you know the Prince Albert Smokin' Tobacco I'm smokin' now is just as good and tasty as what I smoked at the beginnin' of the year?

REEVES: Why sure, Grant. That's because you can depend on P.A. the whole year 'round to be tasty--always that consistently rich, natural tobacco taste..to be comfortable--always that slow, lazy-burnin' pipeful a fella looks forward to enjoyin'--to be fresh...always fresh!

GRANT: Tenderest thought I've heard all night..oh! --you makin' men.. Prince Albert's sure for you too! With tasty P.A., you roll yourself a rich-tastin', smooth-smokin' cigarette every time.

REEVES: Pipe smoker or makin' man--this year and next - you can depend on Prince Albert for the smoking comfort and natural tobacco taste a fella wants when he lights up. Enjoy America's number one smoking tobacco.. Prince Albert.

REEVES:

Minnie--before you go--what was it Hezzy said about Prince Albert Smoking Tobacco?

MINNIE:

Hezzy says P.A. is the greatest thing since sliced bread.

REEVES:

I like that..and you know--I guess every fella has his own special way of referrin' to Prince Albert. Once you enjoy P.A., by golly you find out Prince Albert keeps all the flavor Nature puts in tobacco--then brings it out even richer and finer and tastier. Yessir, for a fella who wants a pipeful of smoking comfort and natural tobacco flavor, Prince Albert's the natural choice'

MINNIE:

Hezzy says it's wonderful for makin' men too.

REEVES:

Sure is, Minnie. P.A.'s crimp cut lets a fella roll a smooth smoke--no dribblin' out the ends or blowin' around. Lets him enjoy that same fine Prince Albert taste. Yessir..pipe smokers and makin' men go for the comfort and taste of the National Joy Smoke; Prince Albert!
