GRANT: ...Yes...and Grandpa Jones...Tommy Jackson and all the Opry Square Dancers...

HANK: ...and of course our very special guest...JIMMY NEWMAN !!

(APPLAUSE)

(HANK OVER)

HANK: We'll hear from Jimmy in just a little bit but right now here are the Jordanares with a great song that's mighty popular. Here they are...with...**"TOM DOOLEY!"**

(APPLAUSE)

MUSIC: "TOM DOOLEY"...JORDANARES

(APPLAUSE)

HANK: The Jordanares with a great song...Tom Dooley. Thanks a lot boys...that was great. Now...now it's time we heard from our guest...that smiling boy from down Louisiana way...Jimmy Newman !!

(APPLAUSE)

HANK: Jimmy....it's real great to have you here with us at the Grand Ole Opry tonight.

JIMMY: I'm sure you know how happy I am to be here, Hank.

HANK: Aren't we all. But what's all this they tell me about you havin' a great new song that's selling like wildfire.

GRANT: For your information, Hank...Jimmy's song is moving up in all the charts. Like somebody else I could mention right now... It looks like Jimmy's record is a winner.

(HANK OVER)

HANK: Well, let's hope so, Jimmy...let's hope so. But right now I think the best thing for you to do is sing, it, James...so here he is... neighbors.... Jimmy Newman and one of his big MGM Records... "You're Makin' a Fool Out Of Me."

(APPLAUSE)

MUSIC: "YOU'RE MAKIN' A FOOL OUT OF ME"... JIMMY NEWMAN

(APPLAUSE)

NEWMAN: Hank, do you mind if I take a minute to say something ?

HANK: Speak right up, <sup>James</sup> Jimmy, speak right up. *son*

NEWMAN: Well, neighbors, like all of you, I've heard different ones here on the Grand Ole Opry talk about Prince Albert Smokin' Tobacco and tell how good it was. I listened, but it didn't make much impression because I'd never really TRIED P.A. Then one day I bought a tin of Prince Albert... loaded up my pipe and took a puff. Right then and there I knew Prince Albert and me were made for each other.

HANK: Naturally, Jimmy. And do you know WHY you like P.A. so well? I COULD say it was because P.A. is always fresh... because it's crimp cut... because that special Prince Albert process locks IN all the flavor of the fine tobacco.

(JIMMY NEWMAN)

NEWMAN: ( You could, Hank but that'd be just part of the story. I REALLY like Prince Albert 'cause it gives me the kind of smoke I want; Tasty...satisfyin'...and COMFORTABLE.

HANK: P.A. is great in makin' cigarettes, too. Rolls easy...smokes mild (PAUSE) So neighbors, take a tip from Jimmy Newman. For a great smoke...every time...light up with Prince Albert...the smokin' tobacco that really IS America's Joy Smoke.

MUSIC: T. JACKSON... "GREY EAGLE"...

HANK: Now here's my good friend Tommy Jackson, his fiddlers and all the Opry Square Dancers and a grand ole timer... "Grey Eagle."

MUSIC: "GREY EAGLE"...T. JACKSON & SQUARE DANCERS

(APPLAUSE)

HANK: Thank you, Tommy Jackson...thank you so much. That was real country fiddlin' and square dancin'. Yes indeed.

GRANT: Say, Hank...some of the boys were tellin' me you went squirrel huntin' the other day? Did you have any luck?

HANK: Not with the squirrels, Grant...but that doesn't matter. While I was out wanderin' around in the woods...all by myself... I came into a little clearing alongside an old country road. And there beneath the big trees...stood a little one room country church.

MUSIC CUE: SNEAK IN UNDERSCORE SOFTLY AS HANK GOES ON....

(HANK OVER)

HANK:

The corner stone said it had been built over a hundred years ago...but there it stood...as sound and solid as if it had been built only yesterday. In a way...that little old country church is as solid and sound as the faith it represents...and I couldn't help but wonder why. Then I knew that there are many things we aren't supposed to know and understand now. They just have to be taken on faith. Later on, maybe...we'll be given the power to see and understand. Maybe it's like it says in this grand ole country hymn...so join in with me...everybody... as we sing..."Farther Along."

MUSIC:

"FARTHER ALONG"...HANK SNOW

(APPLAUSE)

HANK:

Thank you friends and neighbors...thanks just a whole lot. Now...I want you to join me while we make welcome one of the Grand Ole Opry's best known featured entertainers. His name is Chester Atkins...and he's gonna play..."Tiger Rag."

(APPLAUSE)

MUSIC:

"TIGER RAG"...CHET ATKINS

(APPLAUSE)

(HANK OVER)

HANK: Tiger Rag by Chet Atkins...and I could just hear those tigers creepin' up on me. Thanks Chester, good buddy. Thanks a lot. Now...it's time to welcome another of our Opry favorites... the gabby gal from Grinder's Switch...**COUS IN...MINNIE...**  
**PEARL !!**

(APPLAUSE & PLAY ON)

MINNIE

(APPLAUSE & PLAY OFF)

MINNIE: Hey, Mister Snow, did you notice my new twenty carat diamond ring ? (SHOWS HIM HER FINGER)

HANK: (LOOKING AT IT) Is it real, Minnie ?

MINNIE: If it ain't I been cheated outa two dollars and ninety eight cents. The ad in the magazine claimed it was genuine.

HANK: Well, Minnie. I don't know about your diamond but I do know that Prince Albert Smokin' tobacco's the real McCoy ! P.A.'s crimp cut...and it's always fresh. The special P.A. process locks in all the flavor of the fine tobacco. And Prince Albert gives a man a tasty...satisfyin'...**COMFORTABLE** smoke...every time.

TEN SECONDS MUSIC AND APPLAUSE

ENGINEER SWITCH TO STUDIO FOR LIVE CAMEL HITCH HIKE

ANNCR: Won't be long now till 1958 steps aside to make room for '59. The turn of the year is kind of special this time for Camel cigarettes. When 1958 ends you see, it will mark the 10th straight year of Camel leadership as America's largest-selling cigarette. That's a pretty significant record. But even more significant are the reasons behind it. They're clear and compelling: the Camel Blend of costly tobaccos has never been equalled. You get more rich tobacco flavor, more easygoing mildness, in Camels than any other brand. It stands to reason: the best tobacco makes the best smoke. That's just as true today -- with so many different brands on the market -- as it always has been. And so, more people smoke Camels than any other cigarette of any kind: You ought to try the smoke that's Number 1 today in the U.S.A. Have a real cigarette - - have a Camel!
