(APPLAUSE)

DON: *Say ya know* Grant Turner, I haven't been smoking a pipe very long
+ Have you got any advice for us beginners?

(GRANT OVER)

GRANT: *Yes* I sure do ! And it's as simple as this: The proof is in the puffin'. And pipeful after pipeful, Prince Albert proves it has the flavor most favored in the U.S.A. *now* For my money, there just isn't any better smoking tobacco than Prince Albert....and I reckon I'm not alone, because Prince Albert is America's largest selling smoking tobacco. And here are three big reasons why: P.A. is crimp cut to smoke clean through without hot spots. P.A. is mild and mellow...*it* has that same gentle, easy-going flavor every time. And Don, P.A. is *the* also freshest. You see, Prince Albert sells the fastest...so it comes the freshest off the shelf to you. Yessir...the proof is in the puffin' and making men will tell you the same thing. *now* In an OCB paper, P.A. rolls easy, smokes cool and mellow. So pipe smokers or makin men; beginners or old-timers..for a truly tasty, satisfyin' smoke, look to Prince Albert , America's favorite smoking tobacco !!
