JIM: Max, it certainly is good to have you here with us tonight.

MAX: Always like to be on The Grand Ole Opry, Jim.

JIM: Don't we all. But I reckon the folks didn't come here to listen to us talk...so how about singin' a song for us?

MAX: Glad to, James. That is...if you don't mind an old one.

JIM: The old ones are sometimes the best, Max.

MAX: All right. This one came out a number of years back...I forget just how many...but it's always been one of my favorites, so here it is.....

8:37-48

JIM: Well, Grant....on Monday we celebrate Columbus Day and honor the man who discovered America four hundred and sixty-seven years ago.

GRANT: *Yes* You're right, Jim, and I've got a suggestion for pipe smokers and "roll-your-own" fans. If they haven't yet discovered real smokin' satisfaction and pleasure, I suggest they switch to Prince Albert Smokin' Tobacco.

JIM: And I second that motion, Grant. P. A. has got the mild and mellow flavor all smokers like... and easygoin' taste that's so satisfyin' and good.

GRANT: And don't take our word for it, Neighbors. Find out for yourselves. The proof...we always say... is in the puffin' and your OWN taste tells you why Prince Albert has the flavor most favored in the U.S.A.

JIM: Crimp cut...too...so it burns steady and cool without unpleasant "hot spots". And because it SELLS the fastest...Prince Albert just naturally moves the FRESHEST off the shelves to you.

(GRANT OVER)

GRANT: So all smokers...beginners or old timers...make
the a NEW discovery in smokin' flavor and satisfaction
with Prince Albert....America's LARGEST selling
smoking tobacco.

of something extra special to listen to...we have
got a real treat coming right up. Some time back
the RCA Victor people selected twelve great
sacred songs to make into an album and the boy
they picked to sing those songs was none other than
our own Jim Reeves.
