STONEWALL: Yeah...and if I may...I'd like to take this chance to say "thanks" to each and every one of 'em for the help they've given me in spinnin' my records.

HANK: That goes for all of us here at The Opry, Stonewall... but now how about singin' that big Columbia record of yours...WATERLOO!

MUSIC: "WATERLOO".....STONEWALL JACKSON

(GRANT OVER)

PRINCE ALBERT OPRY.....#1049.....page 4

GRANT: By all means, Hank, by all means.

HANK: Neighbors, in case you didn't know...Prince Albert has got the mild and mellow flavor you smokers seem to go for. The smooth and easy-going taste that seems to suit you. And that's true whether you're a pipe smoker or "roll-your-own" man. When we say..."The proof is in the puffin'...and Prince Albert has the flavor most favored in the U.S.A." we mean...just that.

GRANT: *And* That's for sure, Hank. And P. A. is crimp cut... so it burns even and cool without unpleasant "hot spots".

HANK: And Prince Albert is fresh, Grant. Because it SELLS fastest...it naturally moves the FRESHEST off the shelves.

GRANT: Right again, Hank. So pipe smoker or "roll-your-own" man...remember--the proof is in the puffing and P. A. has the ~~flavor~~ sm flavor. So smlight up with Prince Albert...then you'll know why it's America's LARGEST selling smoking tobacco.

PRINCE ALBERT LAST PAGE.....#2

ANNCR: You know, a lot is said about a lot of different cigarettes. But when all is said and done..it all comes down to this: Are you smoking more these days, but enjoying it less? If your answer is "yes" then change to Camels...a real cigarette...America's most popular cigarette for the 10th straight year! It sure makes sense because with Camels you get the full, rich flavor and easy going mildness that adds up to complete smoking satisfaction with each and every cigarette. The secret? The best tobacco makes the best smoke. The Camel blend of costly Turkish and domestic tobaccos has never been equalled by any other cigartte! So, if your present brand isn't giving you all the smoking satisfaction you want...if you find yourself smoking more these days... but **enjoying** it less...then change to Camels! Yes have a real cigarette...have a Camel!
