GRANT: Ernest Tubb...and one of his great Decca records... "Next Time". Thank you, Ernest...and welcome to the Grand Ole Opry. Things are a little "airish" and on the cold side OUTSIDE...but here at the old Ryman the place is all lit up and really "jumpin'".

ERNEST: That's for sure, Grant.

GRANT: Maybe it's because everybody just feels good...and on the other hand it might be on account of the great show we got lined up. There's our "regular" Opry funny man, Archie Campbell...these "sweet signin'" boys the Jordanaires...our good friend and fishin' partner "Stringbean"...Chet Atkins...Tommy Jackson and his fiddle Ralph Sloan and all The Tennessee Travelers.

GEORGE: For a good many years, Grant. You know....ever since I was a kid the stars of the Grand Ole Opry have sort of been my ideals.

ERNEST: That's mighty flatterin' talk, George.

GEORGE: It's the truth, Ernest. I'd rather be able to sing a good country song than anything I know of.

ERNEST: Speakin' of songs...how about givin' us a sample. Here he is, Neighbors...George Hamilton the Fourth...with his great A B C Paramount recording...."A Rose and A Baby Ruth".

ERNEST: Well Grant, I reckon you're aiming to take the family up ^{What} in the country this Thanksgiving?

GRANT: Yes...they can hardly wait till next Thursday.

ERNEST: ^{Oh boy y know} That turkey sure makes a hit with the family, doesn't it?

GRANT: ~~X~~ Sure does...and Prince Albert Smokin' Tobacco sure makes a hit with the men folks...settin' around AFTER dinner.

ERNEST: ^{W h} No doubt about it. ^{ya know Grant cause} Prince Albert has the mild and mellow flavor...the smooth and easy-goin' taste...preferred by pipe smokers and "roll-your-own" men alike. But nobody has to take my word for that. It's like we always say...

TOGETHER: "The proof is in the puffin' ...and your own taste tells you why Prince Albert has the flavor most favored in the U. S. A."

GRANT: And because Prince Albert SELLS the fastest...it naturally moves the FRESHEST off the shelf...to you.

ERNEST: ^{ya see is} Crimp cut ^{to} pack right...burn even and slow...with no harsh "hot spots".

GRANT: So neighbors...be sure you're well stocked with P. A. ^{that} so you can finish off your Thanksgiving dinner this year with a pipeful of downright smokin' satisfaction and pleasure. Prince Albert....America's LARGEST selling smoking tobacco.

ANNCR:

If you're just about to light up a cigarette, right about now is the perfect time to ask...are you smoking more these days...but enjoying it less? If that's the case with you, change to a real cigarette... change to Camels. Believe you me, you'll start to really enjoy smoking again. Because Camels give you that full rich flavor...that easy going mildness, that complete smoking satisfaction no other cigarette delivers. No question about it: the best tobacco makes the best smoke. No question about this either: the Camel blend of costly Turkish and domestic tobaccos has never been equalled for real smoking enjoyment each and every time you light up. Guess that's why Camels are the favorite cigarette in the U.S.A. for the 10th straight year! How about your brand? Are you smoking more lately...but enjoying it less? Then have a real cigarette. Have a Camel!
