ACUFF: Will you shut up ?

ROD: Sure -- I got my lick in. (CHUCKLES)

ACUFF: Well, Rod -- at least a lotta fellas, SINCE the time of old Chris, have discovered the natural tobacco taste of P.A. -- the way it's always so fresh, so cool-smoking, so comfortable to enjoy.

ROD: And a lotta makin' men have discovered that crimp cut P.A. -- and an O.C.B. paper just go together to make up into the best tastin' smoke they ever enjoyed !

ACUFF: ^{8:38.18} Yessir...today's pipe smokers and makin' men have the edge on Mr. Columbus -- because they've found out how comfortable and tasty and enjoyable smoking can be with our good friend, Prince Albert. You find out too. With P.A.

Grant ^{Turner} -- ~~before we get into another song~~, give all the fellas that recipe for gettin' started that you've got.

8:51.34
GRANT:

Well, I was just tellin' Roy here that these cold mornin's I'm just not much good till I've had a big cup of fresh, black coffee and a pipeful of tasty Prince Albert Smoking Tobacco. I dunno... P.A. has somethin' comfortable and fresh about it that just gets you right with the world first thing in the morning.

8:51.49
ACUFF:

Yessir...be it the rich, natural taste of P.A.'s freshness or the way P.A. lets you puff a pipe in comfort, nothin' beats a pipeful of lazy-burnin', good-tastin' P.A. !

(GRANT OVER)

51462 2628

GRANT: ^{8:52.00} Now, I know a lotta makin' men who feel the same way about their P.A. in the morning. Crimp cut P.A. and an J.C.B. paper -- and they can roll themselves a smooth-smokin', smooth-makin' cigarette every time.

ACUFF: ^{8:52.12} Any time of day...pipe smokers and makin' men can always enjoy the natural tobacco taste of Prince Albert.

JINGLE: ^{8:52.19} It's the natural taste...and that's the test. That proves Prince Albert is naturally best. It smokes so cool, more men say: "Give me mild 'n' mellow...P.A. !"

ACUFF: ^{8:52.30} Now -- how about another fine country song from Jean Shepard ???

(RESPONSE)

ACUFF: ^{8:52.38} Jean -- how about singing your new Capitol Record song for the folks ?

1ST ANNCR: Say, _____, do you know the pass-word for the finest taste in smoking ?

8:58.21

2ND ANNCR: Sure do ! Have a REAL cigarette -- have a Camel !

8:58.24

1ST ANNCR: Right you are ! And that puts you up there with millions of other Americans who have made Camels the country's best-selling cigarette !

8:58.30

2ND ANNCR: Well, it's easy to see why Camels are so popular. Y'know, no other cigarette brings you the full, rich flavor and smooth mildness of Camel's exclusive blend of costly tobaccos.

8:58.40

1ST ANNCR: And that's why, of course, no other cigarette gives you the same smoking comfort you get out of Camels.

8:58.46

2ND ANNCR: Folks, see for yourselves why more people today select Camels than any other cigarette. Discover the difference between "just smoking" -- and Camels !

8:58.58

1ST ANNCR: Yessir, have a REAL cigarette -- have a Camel. So good and mild...the finest taste in smoking ! !
