BOB: Gee, Embert sure put a lot of feeling into that song.
Who was he singing to, Cliff, his best girl?

CLIFF: No one in particular, Bob. Just everyone...and everything
I'm particularly fond of!

BOB: Guess that includes Prince Albert, then.. eh, Cliff? You're
always saying how fond you are of rich, full-flavored Prince
Albert!

CLIFF: I am -- as fond as a man can be of a tobacco, Bob. I like
everything about Prince Albert -- the way it's specially
treated to insure against tongue bite...and crimp cut to
burn slow and even, and smoke cool. And I like the natural
fragrance of Prince Albert, too. Guess almost everybody does!

BOB: Lots of men do...obviously. Prince Albert is the largest-
selling smoking tobacco in America!

CLIFF: So, Men...take my advice. When you're buying tobacco, buy
the tobacco that's specially made for smoking enjoyment:
Prince Albert!

BOB: For convenience, ask for Prince Albert in the handy pocket tin
with the humidor-top. For Economy ask for Prince Albert in
the big pound-size. Whichever way you ask for it, be sure
you get Prince Albert, the National Joy Smoke!

BOB: Say, by the way, Lem.. did you hear my good idea? To have a contest here, on every show? And give a prize to the man who rolls a "makin's" cigarette the fastest.

LEM: Say, you've got something there, Bob! Trouble is it would go so quick no one would know what was happening! You know how fast Prince Albert rolls into a "makin's" cigarette. Because Prince Albert's choice tobacco is crimp out. So it clings to the paper...doesn't blow around...doesn't dribble out the ends. In no time, anyone can roll a "makin's" cigarette he's proud to smoke, with Prince Albert!
